

Spit Ball Ace Blanks Indians In Second Game

Cleveland Outplayed From Start to Finish and Fails To Score—Lutk Breaks For Dodgers.

The Indians of the American league, in spite of recent admission on front of the Cook county grand jury.

Brooklyn won the game today in the first inning. Jimmy Johnston soaked out a good base hit with one down and stole second. Griffith could only hit a weak one to Doc Johnston and was an easy out. Wheat came through in the pinch with a drive to center good for one run, which was all Grimes needed, as events proved.

The Robins added a tally in the third round as a result of a wild chuck by Bagby. The Robins made two hits off Grimes in that session, yet they ought to have scored more than one run if Griffith had not pulled a boner in trying to score from second on a play by which Olson was cut down at the plate, and which would have been a double play if O'Neill had not made a bum peg to first base.

The Robins made their third run in the fifth on singles by Olson and Griffith and an infield out between them. They made only one base hit in the last three innings, during two of which George Uble pitched.

The only chance the Indians had against Grimes was in the eighth. He lost control for no apparent reason and passed Jamieson, first up. Then he walked Burns, who batted for Vambly. Manager Speaker was best but an angry crowd was intensely interested until Uble slapped a boner to Kilduff who fumbled it, but recovered in time to retire Speaker at first after missing what looked like a sure double play.

Gardner also drew a pass, filling the bases, and a home run over the nearby right field fence would have upset all calculations, but the best W. Johnston could do in the pinch was a grounder to Kilduff, forcing Gardner, and the side was out.

Dennison Refunds Bet Made on Last Year's World's Series Games

At the start of the 1919 world's series, John Dennison, manager of the Boston "Reds," made a wager of \$100 with Jake Isaacson, secretary of the Omaha Amateur Base Ball association, that Cincinnati would win the championship. The Reds won and "Dynamo" Dennison collected.

When the recent base ball scandal broke, Manager Dennison made a special visit to Secretary Isaacson's place of business to refund the \$100.

"My conscience hurts me, Jake," said Johnny as he handed the former two \$50 bills.

"Ah, that's all right, keep the money," replied Jake.

"The series was 'crooked' and I don't want your money," returned Johnny.

Whether Dennison's conscience hurt him, or whether he wanted to remain in good standing with the association secretary is unknown, but the Boston manager proved he was a true sport.

Unable to Arrange Games for Champs

Amateur Base Ball Officials Seeking Out-Of-Town Contests for Class B and C Teams.

Inter-city championship games for the class B and class C city champions of the Municipal Amateur Base Ball association have not been arranged, although the officials and Secretary Isaacson, have written and wired to Kansas City, St. Louis, St. Paul and other cities.

Secretary Isaacson is still negotiating with a number of western cities in an effort to arrange games for the local champions.

It was at first planned to send the class B winners to St. Louis at the time the Bowen Furniture Co. team, city class A champions, played there, but arrangements could not be made. Isaacson has not received any definite reply.

Last week the officials wired to St. Paul, asking them if it was possible to arrange a game with their class C city champions, Omaha of the Omaha, but has not received any definite reply.

After the local association offered to pay the McKennys expenses providing they could play a game there, the St. Paul amateur base ball association sent back the above message.

Sunday afternoon at 3 o'clock the Bowen Furniture Co., city league

Morningside and Yankton to Play

South Dakota Greyhounds Will Enter Saturday's Game With Patched Up Eleven.

Yankton, Oct. 6.—Yankton college Greyhounds will go to Sioux City Saturday to meet Morningside in the second of two opening games believed to be the stiffest on the schedule. After holding the Creighton Catholics to a 7-7 tie last week at Omaha, Montgomery will take his men up against his Methodist alma mater this week.

The game last week injured out eight of the Greyhound varsity team. Youngworth, who was picked all-state quarter last year, and whose generalship played an important part in the result of the game last week, will be out of the game. Captain Perry Van Tuyl, halfback, kept out of all but the last few minutes of the Creighton game by injuries received in a class scrap, is not sure to go into the Morningside contest.

Ballou, first-year star halfback, had to be taken out of the Creighton game in the second quarter and it is unable to play.

Montgomery has been up against the proposition of whipping into trim a first-class new varsity team in all but three positions for the coming game. He is working Adams at quarter, and the bantam-weight seems to be making good.

With a squad of 40 men to pick from, there has been considerable material to use in a big game. And the question to decide in the Morningside contest at Sioux City Tuesday is whether the men who will have to play have had enough experience in the college game to make the showing they will have to in order to win or even score on their opponents in their own back yard.

Coveleskie Threw Ball Up to Batter Only 85 Times Tuesday

A comparison of pitchers in the first game of the world's series shows that Coveleskie threw the ball up to the batter only 85 times in nine innings, while the total for his three Brooklyn opponents was 112. Marquard threw 80 times in six innings, Mammaux in two and Cadore six in one.

Coveleskie Steadier.

Coveleskie, although yielding the same number of hits as the rival Brooklyn pitchers, was much steadier than Marquard or Mammaux. Coveleskie threw 24 balls, Marquard 31, Mammaux 9 and Cadore 2, while their respective totals for missed strikes were 22, 21, 10 and 1. The Brooklyn batters fouled off nine pitches for strikes and the Cleveland men 14. Only one foul occurred after two strikes were on the batter and that was made by J. Johnston of Brooklyn in the first inning. Only six Cleveland men went out on flies, while 11 Brooklyn batsmen went out by the air route. Each side had 13 men grounding out. Marquard never pitched less than 10 balls an inning and doubled that number in the second, when he became unsteady, after Konetchy's error let Burns score. Coveleskie's total in the seventh and eighth innings was 13 each. Marquard had four strikeouts, Coveleskie 3, and Mammaux 3, all of which came in the seventh, when he relieved Marquard.
