

Lincoln Honors Sons of Veterans' New Commander

Lieutenant Governor Barrows Guest at Reception Given By Patriotic Societies And Citizens.

Lincoln, Oct. 8.—(Special)—A reception was tendered Lieutenant Governor P. A. Barrows by the patriotic societies and the public in general in honor of his election as commander-in-chief of the national organization of the Sons of Veterans at Indianapolis.

Commander-in-Chief Barrows spoke of the work done by the Sons of Veterans, which now has a membership of over 51,000, and said that he remained in the background waiting for the time to come when as sons of the men who fought for a nation's unity from 1861 to 1865 they might actively look after the welfare of the members of the G. A. R. and promulgate the principles of patriotism handed down to them by their fathers, the time had now come for greater activity.

"All honor to the veterans of the wars of 1898 and 1918," said the commander-in-chief. "They are the men to whom we must look for our future statesmen and leaders, but the country must not forget that but for the sacrifices and valor of the veterans of 1861, this country would not have entered the wars of 1898 and 1918 as a united country and the sons of the men of the blue and the sons of the men of the gray would not have been fighting elbow to elbow, shoulder to shoulder for the cause of humanity and for the cause of the liberty of the world, and to the men of the Civil War this country therefore owes a debt of gratitude which must not be forgotten."

Base ball gambling in Cackley Bros' poolroom at Sixteenth and Capitol avenue is conducted openly, according to the charge made by C. Saunders, who said he placed a bet on a world series play on October 6. The charge probably never would have been brought to light if Saunders had not felt that he was "double-crossed" in his bet. He charged that he bet 50 cents that Shortstop Olson would make a hit on October 7. Olson obliged him with a hit, but when Saunders went to collect his bet he was informed that he had bet on Sewell of the Indians, who had failed to connect on that day.

White Announces New Slogan Adopted by League Supporters

New York, Oct. 8.—George White, chairman of the democratic national committee, announced a new slogan adopted by supporters of the league of nations idea for the remainder of the campaign.

"This rallying cry," Mr. White said, "is echoed in the hearts of all who favor the league." "The speech of Senator Harding at Des Moines verifies the proposal in his speech of acceptance and his vote on the Knox resolution in favor of a separate peace with Germany. "In the name of dead and living soldiers, sailors and marines who

delivered the finishing thrust to the German army, and in the name of the men and women who labored here at home to support them, the democratic party presents this shameful proposal which can arise only from a desire to trample to the sentiments of those who sympathized with the Kaiser during the war."
