Blame Politics For Agitation Of Jap Question

Critics of Foreign Policy of Japan Subsiding and Problems Are Now Looked on With Less Apprehension.

Tokyo, Oct. 11.—The last few days have witnessed a marked subsidence in the agitation here of the California problem, but Japan, nevertheless, is deeply stirred and profoundly apprehensive.

Press Is Curbed

However, the government, realizing the extent of the popular feeling, is known to have induced the Japanese press to curb belligerency, while the majority of the national leaders counsel an attitude of patience, pending an opportunity to find a solution either by diplomatic means or through the courts.

Critics Are Active

Critics of Japanese foreign policy hint that the present agitation over the California situation is designed as a smoke screen to obscure such issues as Siberia, but this theory loses plausibility in the light of the fact that Japanese feeling unquestionably arouse spontaneously despite efforts of the government to quell turbulent rather than encourage agitation.

Poles and Russians to Cease War

Preliminary Peace Treaty Signed at Blackhead House At Midnight—Ratify In 15 Days.

New Boundaries Fixed

Riga, Oct. 11.—The Polish and Russian-soviet peace delegates have arranged to sign a preliminary peace treaty at the Blackhead house here tonight. The treaty contains 17 articles and two annexes, one the armistice to be concluded tonight, and the other a map.

Neutral Zone Fixed

Under the armistice terms, both armies will remain in the positions held by them until the moment of ceasing operations. A strip of 15 kilometers between the two fronts will constitute a neutral zone in the military sense, which will remain under the administration of the side to which the territory goes under the preliminary peace terms.

Independence Recognized

The first article of the treaty reads: "The contracting parties in accordance with self-determination recognize the independence of Ukraine and White Russia and have agreed to decide that the east of Poland, that is the boundary between Poland on the one side and the Ukraine and the White Russia on the other, shall constitute the following line:

Hunters Have Hard Time Evading Law; Many Receive Fines

Lincoln, Oct. 11.—(Special.)—Chicken hunters are having a hard time keeping the independence of Ukraine and White Russia and have agreed to decide that the east of Poland, that is the boundary between Poland on the one side and the Ukraine and the White Russia on the other, shall constitute the following line:
