

Farmers to Join in Sweeping Probe of World Markets

C. H. Gustafson, President of Nebraska Union, Outlines Plan to Improve Prices.

C. H. Gustafson, president of the Nebraska Farmers union, returned yesterday from Chicago, where he was made permanent chairman of a farmers' marketing committee of 17, organized at the suggestion of the national farm bureaus to investigate marketing conditions throughout this country, Canada and Europe.

The committee has been subdivided into groups. Twelve of the principal markets in the United States, Canada and Europe have been selected for investigation. Each committee will have three of these markets to investigate. A report of each is made that will be compared and the one most efficient will be adopted as the uniform plan of marketing in the United States.

Farmers will be advised to sell their products, according to the findings of this committee. The Farmers' National Grain Dealers' association is represented on the committee by four members, the state farm bureau by three, Farmers' Union of Nebraska by two, Equity Co-operative Exchange of Minneapolis by one, National Farmers' Equity Union by one, Missouri Farmers' clubs by one, The Grange by one, United States department of agriculture by one, ownership plan by one, Agricultural Editors' association by one.

Widow and Babe Fight

Probating of Neal Will

Hearing for the probate of the will of the late John Neal, involving an estate of \$1,000,000 was stopped yesterday, at the request of Albert S. Ritchie, attorney, who appeared representing a woman in Okmulgee, Okla., who claims to be the widow of Neal. Ritchie said he was engaged by the alleged widow when she received a letter from her. She claims to be the mother of a 4-year-old son who she claims was born to her when she and Neal were living together. County Judge Crawford ordered the hearing set for October 21.

15,000 Number Changes in New Telephone Directory

More than 15,000 changes have been made in the numbers listed in the October telephone directory, which is now being delivered.

All the former two and three-figure numbers have been prefixed with ciphers, as for example, Harney 90 is now Harney 0090. To get this number, for example, you should call "Harney oh-oh-nine-oh."

All former one-figure numbers have been changed entirely to four-figure numbers.

These changes have had to be made to prepare for the installation of automatic service in the downtown district. At that time all numbers must contain four figures.

And a large number of other changes in numbers has been necessary in all the central offices because of moves and new installations.

Your co-operation in looking up every number before you make a call, will assist us materially in our furnishing you satisfactory telephone service.

13 Eggs A Day From 17 Young Pullets

Mrs. Niles Starts 6-months Old Pullets Laying. Tells How.

"Early in November, I bought a package of Don Sung and started giving it to 17 May pullets. In the first 30 days they laid 138 lovely eggs. All through December I got 11 to 15 eggs a day."—Mrs. E. R. Niles, R. F. D. 2, Lucerne, Ind.

Mrs. Niles found how to start young pullets laying and keep them laying all winter. The same method helps hens through the moult and starts them laying. You can test this at our risk. Give your hens Don Sung and watch results for one month. If you don't find that it pays for itself and pays you a good profit besides, simply tell us and your money will be cheerfully refunded.

Don Sung (Chinese for egg-laying) is a scientific tonic and conditioner. It is easily given in the feed, improves the hen's health and makes her stronger and more active. It tones up the egg-laying organs, and gets the eggs, no matter how cold or wet the weather.

You can obtain Don Sung from your druggist or poultry remedy dealer, or send \$1.04 (includes war tax) for a package by mail. Burdell-Duggan Co., 114 Columbia Bldg., Indianapolis, Ind.

Want to Feel Just Right?

Take an NR Tonight

JUST TRY IT AND SEE how much better you feel in the morning. That "foggy," headachy, tired, don't-know-what's-the-matter feeling will be gone—you'll feel fine.

TROUBLE IS, your system is clogged with a lot of impurities that your over-worked digestive and eliminative organs can't get rid of. Pills, oil, salts, calomel and ordinary laxatives, cathartics and purges only force the bowels and prod the liver.

Nature's Remedy (NR Tablets) acts on the stomach, liver, bowels and even kidneys, not forcing, but toning and strengthening these organs. The result is prompt relief and real, lasting benefit. Make the test. Nature's Remedy will act promptly, thoroughly, yet so mildly, so gently, that you will think nature herself has come to the rescue and is doing the work.

And oh, what a relief! You'll be surprised to find how much better you feel—brighter, better every way.

If habitually or stubbornly constipated, use one NR Tablet each night for a week. Then you'll not have to take medicine every day. Just an occasional NR Tablet after that will be sufficient to keep your system in good condition—keep you feeling your best.

Take your complexion seriously

Are your pores enlarged or clogged with waste matter? Is your skin rough, unattractively blotched, or red? Don't neglect the treatment of these defects when Resinol Ointment and Resinol Soap usually overcome such troubles quickly and easily. Resinol Ointment soothes and heals the skin while Resinol Soap cleanses and refreshes it.

Try them and see. At all druggists.
