World Series Notes

Just before today's gime Mayor Fitz-gerald, acting for Cleveland fans, present-ed Elimeor Smith and Bill Wambsganss with diamond studded medale for their great work yesterday. Wambsganss made an unassisted triple play and Smith hit a homer with the bases ful.

Tris Speaker is the only player now in the game who witnessed the two unas-plated triple plays made in the big leagues. Speaker was with Boston when Nest Ball made his play here in 1903 and was in conterfield yesterday. "Cy" Young, who pitthed for Boston against Cleveland, when Ball put out three men unassisted, was in the stands yesterday. schedules of any team in the west outside of the conference this year.

The Cleveland players chipped in and hought Jim Dunn, owner of the club, a pair of diamond studded cuffilnks and Speaker a gold watch. souri, Kansas, Grinnell, Morning-

Newton D. Baker, Secretary of War, and former mayor of Clefeland, occupied a box seat in the upper stands with a party of friends. He was rooting for the In-Sewell rapped to Kliduff, who retired Gardner at the pan, and another bounder to Pete retired the side,

Cleveland had a chance in the first in-ning, when Evans poked a single through Steehan, a glaringly weak spot in the Brooklyn defense today, but "Wamby" and Evans, crossed cach other in some way on a hit and run play, on which Evans was thrown out at second stand-ing up. After the thrilling same resterday, tickets for today's contest were in greater demand than ever. Scalpers had no trouble getting \$50 for a \$6.60 seat.

Konetchy, the Bodger's first baseman, made the first hit off Malis, driving a sharp single withiwo out, into right field in the second inning. Errors by Gardner and Sewell filled the bases, but Speaker, be racing in for Smith, was shortly saved the situation. ing up.

The third inning was another bad one for the Indiana. Evans ripped off a single with one gone. "Wamby" tried to lay down a bunt, but it bounded high in the air in front of the plate, and Miller got it in time to force out Evans at second. Burns drove, a liner through left center, and it almost bounded into the temporary stands. Before Myers and Wheat could corral the pill, Speaker raced across the pan with the only run of the game, and liurns reached second. / Miller, the Brooklyn catcher, twice out-guessed Cleveland. In the first inning, with Evans on first, he called for an out-shoot and easily caught the Cleveland outfielder trying to steal. In the fifth, with Sewell on first, Cleveland tried the hit and run, but Miller called for a wide ball. O'Neill threw his bat at it, but missed and Sewell was casily trapped at second.

Two men were trapped off of first in the same. In the sixth, O'Nelli caught Neis with a lightning throw to Burns. Evans was caught napping in the eihth by Cmith.

liurns reached second. The Indians had another chance to score in the eighth, when Evans made the third of his trio of swats with one down, but Smith's balk motion fooled him and he was picked off the base before any-thing could happen. The best chance the Robins had to score was in the second in-ning. Two were gone when Konetchy singled and Sewell and Gardner missed easy bounders from Kilduff and Miller, filling the bags. Sherrod Smith lifted an easy one to Speaker for the third out. Jee Evans, the Indian leftfielder, was the batting here of the day. He bagged three of Cleveland's seven hits in four times up.

More base ball scandal developed 'today. When Les Nunamaker, utility catcher with Cleveland went to bed last right, he found a roll of bills under his pillow. He re-ported the matter to President Johnson of the American langue, who finmediately seized the roll for evidence. How much was in the roll S Sixteen Confederate bills!
