### Man o' War Is Easy Winner Of Big Race

Sam Riddle's Gafloper Cops Thoroughbred Championship and \$75,000 Purse Over Sir Barton.

Windsor, Ont., Oct. 12.—The thoroughbred championship of the continent rests tonight on the American side of the border.

Man O War, the greatest 3-year Man O War, the greatest 3-year-old of the year, galloped home with the equine honors of 1920 at Kenil-worth Jockey club track this after-noon, a full eight lengths in front of Sir Barton, the great 4-year-old from Commander J. K. L. Ross's stables. The time was 2:03, more than a full second faster than the old Canadian

record for the distance. Samuel D. Riddle of Philadelphia. owner of the victor, is the richer to-night by the purse of \$75,000 and a gold cup valued at \$5,000.

The race was over a course of a mile and a quarter at weight for age, the winner carrying 120 pounds to the loser's 126. A \$2 ticket on the winner paid \$2.10.

Between 29,000 and 30,000 persons paid to see the two great horses race, the attendance figures and gate receipts setting a new high mark in the history of Canadian racing.

The time, 2:03 flat, was more than

a second slower than the record of both horses. Sir Barton has a mark of 2:01 4-5, which was later tied by Man O War. The slow time was partly due to the fact that the victor record of the victor record of the fact that the victor record of the fact that the victor record of the victor re was never in danger from the time he took the lead at the first 16th

Sir Barton drew the rail and was away with a jump, but the lead was short lived. Jockey Clarence Kummer sent Man O War alongside, and then ahead. When the stands were reached, at the end of the first quarter, the Riddle horse had a two lengths lead. Frankie Keough, who had the mount on the Canadian horse as a result of a last minute change when Commander Ross with-drew Jockey Earle Sande, rode a hard race but was unable to cut down that distance. Kummer kept Man O War in check to the three-Man O War in check to the three-quarter pole, then let out a wrap and the great 3-year-old responded with a burst of speed that left Sir Barton eight lengths behind before the stretch was reached. The last quarter-mile down the stretch was an easy gallop, with Kummer visibly casing up his mount.

New York, Oct. 12.—Thirteen members of the New York National league base ball club will depart for Havana via Key West today to play a series of 16 exhibition games with Cuban teams, beginning next Saturday. Manager John J. McGraw will join them later.

Winston - Salew, N.C. Friday p.m. Dear Old Pete:

Just wound up the one swellest day of my life! Since early this morning, when I got an invitation to visit R.J. Reynolds Tobacco Co. factories, I've been in the midst of millions of Camel cigarettes. Yes sir, right from the rooms where the choice Turkish and choice Domestic tobaccos go into Camels unbratable blend, Straight through to the loading platforms where cases holding 10,000 Camels each are packed

into ear after car for shipping to every corner and cross roads in the U.S.A!

Man-the happiest idea you or I ever had as to the size of this Reynolds enterprise, or the number of Camels manufactured daily, is simply piter-stuff! Wipe off the slate and start fresh! Why-Pete, it seemed to me like a couple of those cigarette-making machines could keep half the nation smoking Camels steadily - BUT - honest to goodness, there are hundreds of these machines batting out Camels at the rate of 27,000 an hour—EACH!

and, Pete, you would'nt have to consult a guide book to Know you were in the Camel factories! The atmosphere is just charged with that wonderful aroma you get when you open up a deck of Camels! And, you Know, old elephant—you've had a trunk full!

I stood by one of these machines, kind of fascinated. as the Camels dropped into the containers I figured the delight each one would supply! and, how Camels wellow wild body would hit the right spot and how Camels refreshing flavor would cheer up some smokers jaded appetite! and, each Camel free from any unpleasant ciquetty aftertaste or unpleasant ciquetty odor! and—

Pete - 9'11 have to lay off and light another Camel! Write you some more soon, old camel-o-pard!
