

Prominent Men Favor G.O.P. Plan

Root, Hoover, Hughes and Taft Among 31 Signers of Statement Announcing Support of Harding

Oppose Wilson's Stand

New York, Oct. 15.—A statement explaining the positions in the presidential campaign of 31 prominent men who have advocated some form of international agreement was issued over their signature last night and announced they would support Senator Harding.

Elihu Root, Herbert Hoover, George W. Wickersham, Henry L. Stimson, A. Lawrence Lowell, Henry W. Taft and Charles E. Hughes were among the signers of the statement which follows in part:

"The undersigned who desire that the United States shall do her full part in association with the other civilized nations to prevent war have earnestly considered how we may contribute most effectively to that end by our votes in the coming election.

"The question between the candidates is not whether our country shall join in such an association, but whether we shall join under an agreement containing the exact provisions negotiated by President Wilson at Paris or under an agreement which omits or modifies some of those provisions which are very objectionable to great numbers of the American people.

"A majority of the senate voted to ratify the league agreement with modifications which there is good evidence to show would have been accepted by the other nations. But Mr. Wilson refused to accept these modifications and insisted upon the agreement absolutely unchanged and democratic senators sufficient in number to defeat the treaty as modified followed Mr. Wilson by voting against ratification.

"That is substantially the difference between the parties now. The

democratic platform and candidate stand unqualifiedly for the agreement negotiated at Paris without substantive modification.

"We believe that we can most effectively advance the cause of international co-operation to promote peace by supporting Mr. Harding for election to the presidency."

Worn Out In Mind and Body

Your child is quick to observe disturbances in your mental attitude or physical condition. And when he asks: "What's the matter, Daddy?" there's a tone of solemn anxiety in his little voice. The depression stamped upon you reflects intensely upon him because of his profound solicitude. He at once drops his playthings and rushes to your side, but his happy smile has disappeared and his buoyant spirits are gone---replaced by a countenance of worry and a bearing of hopelessness.

You owe it to the happiness and welfare of your family to keep trim in body and keen in intellect. You are the sun and the inspiration of their lives. Dark, threatening clouds hover over their heads the instant you show signs of being "out of sorts" or "under the weather." Don't imperil their future by neglecting your health.
