Concerning a Beautiful
Complexion (and an Unusual Powder)

Culture, personality, dress, all contribute to that undefinable thing called beauty—but of all factors, the subtle charm of a beautiful complexion is easily first.
Have a complexion that invites the most critical gaze—a skin radiantly beautiful in sunlight or under the glare of bright, artificial light. Win the admiration that only a complexion which bespeaks the bloom of youth can gain, by using

CARMEN
COMPLEXION
POWDER

Its final touch imparts to the most lovely natural complexion an added subtle charm and gives even rough skins a velvety smoothness that challenges close inspection.
