Needlework Guild In Omaha

By MRS. ED P. BOYER. "Charity begins at home." The object of the Needlework guild in Omaha is to collect and distribute new, suitable garments among the charities and hospitals of our own city.

At a meeting last Tuesday at the home of Mrs. Arthur Metz it was decided to collect the garments November 4 and 5, at the Scottish Rite cathedral, Twentieth and Douglas streets.

Last year over 6,000 garments were collected and divided regardless of the race or creed of the different organizations.

Officers of the guild are: Honorary president, Mrs. W. G. Templeton; president, Mrs. Milton B. Newman; vice president, Mrs. W. W. Carmichael; secretary, Mrs. T. H. Tracy; treasurer, Mrs. George J. Henderson.

When Mrs. Theodore Roosevelt was here three years ago she told Mrs. Newman that it was her pet charity and that Theodore Roosevelt said that the guild "accomplished the most good with the least effort" of any charity he knew.

Before the war the national organization had more members than the American Red Cross.

The guild is affiliated with the Red Cross, Federation of Women's Clubs and Camp Fire Girls.

In times of disaster it is ready to be called upon for aid. At the time of the tornado barrels of clothing and money were received by Mrs. Robert Cowell from the state branches of the Needlework guild.

Good Pies for the Autumn Season

Apple Pie—Four or five large apples, one-third to one-half cup sugar, one-fourth teaspoonful cinnamon or nutmeg, few grains salt.

Pare and slice apples. Line a pie plate with pastry. Lay in sliced apples, sprinkle with sugar and spice. Put upper crust on, press edges together and trim. Bake in moderate oven.

Lemon Pie—One cup sugar, one cup water, three tablespoons cornstarch, one tablespoon butter, one lemon (rind and juice), two eggs (yolks).

Mix cornstarch and sugar, pour on the boiling water, add lemon rind. Cook until clear and thick. Take from fire, add lemon juice, butter and beaten egg yolks. Pour filling into a baked crust and cover with meringue made with two eggs whites beaten stiff, add two tablespoons powdered sugar. Put back in oven and brown the meringue.

Custard Pie—Two eggs, three tablespoons sugar, few grains salt, one and one-half cups milk, few gratings nutmeg.

Beat eggs slightly, add sugar, salt and milk. Line plate with paste, make fluted rim. Pour in the filling, sprinkle with nutmeg. Bake in quick oven at first to set rim, then decrease the heat, as milk and egg mixture requires a low temperature.

Chocolate Pie—One pint milk, one-half cup sugar, four tablespoons cornstarch, one or two ounces chocolate, one egg, one teaspoon vanilla.

Scald milk. Mix sugar and cornstarch with enough cold milk to pour easily. Add to hot milk and cook until thickened. Melt chocolate, add to the filling. Beat egg, add to filling, take from fire, add vanilla. Pour into a baked crust. Sprinkle with coconut.

Too Weak to Do Anything

The ordinary every-day life of most women is a ceaseless treadmill of work. How much harder the tasks become when some derangement peculiar to her sex makes every movement painful, and keeps the nervous system all unstrung until life seems hardly worth living.

Read the Experience of These Two Women Reading, Pa.—"I had organic inflammation, pains in the side and back which were so sharp that they pulled me to my knees, and I could not walk. I had an operation and still I failed, and in the eight years I suffered I had four doctors and none helped me. My mother-in-law advised me to take Lydia E. Pinkham's Vegetable Compound. I was then in bed, and after the first bottle I could be out of bed, then I took Vegetable Compound Tablets and Lydia E. Pinkham's Blood Medicine and also used the Sanative Wash. I still take the medicine and am able now to do my own housework. My friends say, 'My! but you look well—what do you do? Who is your doctor?' And there is only one answer, 'Lydia E. Pinkham's medicines which I gladly recommend.'—Mrs. W. M. STEPHENS, 202 HARVEY ST., GAINESVILLE, TEXAS.

Gainesville, Tex.—"For three years I suffered untold agony each month with pains in my side. I found only temporary relief in doctor's medicine or anything else I took until my husband and I saw an advertisement of Lydia E. Pinkham's Vegetable Compound. I mentioned it to a neighbor and she told me she had taken it with good results, and advised me to try it. I was then in bed part of the time, and my doctor said I would have to be operated on, but we decided to try the Vegetable Compound, and I also used Lydia E. Pinkham's Sanative Wash. I am a dressmaker and am now able to go about my work, and do my household duties. You are welcome to use this letter as a testimonial as I am always glad to speak a word for your medicine."—Mrs. W. M. STEPHENS, 202 HARVEY ST., GAINESVILLE, TEXAS.
