

Sheriff Obeys Order Against Mayor's Pardons

Three Men Released Recently by Clark Were City Cases, Judge Says in Refusing to Back Down.

"My order of several weeks ago stands and Mayor Smith has not attempted to question it," said District Judge Troup yesterday when asked concerning three pardons issued recently by Mayor Smith and honored by Sheriff Clark.

"Those were mere police court cases for fighting and drunkenness and the men were sent up on city misdemeanors," said Judge Troup. "I order concerned persons sent to the county jail after hearing in district court on appeal from the city police court. I said the mayor had no right to pardon such persons and that I would see to it that he did not pardon any more such persons."

Judge Troup issued orders to Sheriff Clark and County Jailor Clayton several weeks ago to refuse to honor pardons issued by Mayor Smith in appealed cases or police court cases brought under state statutes.

He did this after the mayor had pardoned three men serving sentences approved by the district court for speeding in automobiles and driving while intoxicated.

Sale of "Church Wines" Here to Be Probed by State

Assistant Attorney General, Scouting Wholesale Liquor Traffic, Plans Sweeping Investigation.

Sale of wines in Omaha for religious and sacramental purposes is to be thoroughly investigated by federal prohibition agents and officials from the office of the county attorney.

Plans for the investigation were announced yesterday by A. C. Munger, assistant attorney general of Nebraska, in Central police court in hearing of a case against Joe Batt, 1612 California street.

Batt is Jewish. Attorney Sugarman bolstered up his defense with the argument that Batt held the liquor found in his home for sale to Omaha Jews observing Jewish feasts, holidays and the Passover, according to their Biblical custom.

W. P. HUPP, of Akron, Ohio, who says he would not take one thousand dollars for the good Tanlac has done him.

Declarer his health has been fully restored and that he has gained over 20 pounds.

"I would not take one thousand dollars for the good Tanlac did me," said W. P. Hupp, 339 Camden St., Akron, Ohio, for the past ten years a valued employee with the Firestone Tire and Rubber Co.

"I will always owe a great debt of gratitude to Tanlac," he said, "because it restored my health completely after everything else failed, and I have gained over twenty pounds. I can now eat better, sleep better and work better and I feel like a brand-new man."

"Before taking Tanlac I suffered night and day from indigestion and my stomach was terribly disordered. I was nervous and weak and could neither eat nor sleep to do any good. I seemed to be going down hill every day for six years. Finally, my condition became so rundown that I lost one or two days from work every week. But, now since my troubles have been overcome, I can hold my own with any man at the plant, and often after working hard all day, I put in overtime at night and feel none the worse from it. I just seem to be full of new life and energy."

"After seeing the good Tanlac did me, my wife began taking the medicine and now she says she feels better than she has in years."

"Tanlac certainly beats anything I ever saw in my life."

Tanlac is sold in Omaha at all Sherman & McConnell Drug Company's stores, Harvard Pharmacy and West End Pharmacy. Also Forrest and Meany Drug Company in South Omaha and Benson Pharmacy, Benson, and the leading druggist in each city and town throughout the state of Nebraska.

Good Advice to a Dyspeptic

Give the Stomach Help to Digest Food and to Offset the Tendency to Acidity. Use Stuart's Dyspepsia Tablets.

The wholesale advice to starve your way to stomach health is mighty poor judgment. Only the most robust constitution can stand such a strain. If you cannot eat, if what you eat sours, if your indigestion follows certain foods that cause heartburn, sour stomach, or gas, try Stuart's Dyspepsia Tablets.

If there is a feeling as if your stomach had turned into concrete, these tablets help digest the food and thus bring relief. Many physicians write "Stuart's Dyspepsia Tablets as directed" on a prescription blank when patients are distressed with frequent attacks of indigestion.

Get a 60 cent box at any drug store, eat what you enjoy, take a tablet or two after meals, and thus avoid the distress due to indigestion or dyspepsia.
