

Burglars Loot Homes, Stores, Get Much Loot

Hotel Guests Also Robbed by Prowlers — Tailor Shop Robbed of Everything But Fixtures.

Burglars and sneak thieves ruled the roost in Omaha again Tuesday night. William K. Perkins, Rome hotel, reported \$42 stolen from his room during his absence. R. Christensen, 2922 Burdette street, reported the theft of \$100 worth of clothing. The Pioneer tailors, 1822 St. Marys avenue, reported the lock torn from the front door and everything in the place stolen except the fixtures.

Several trucks apparently had been used to haul the loot away, according to the report, which stated the proprietors had not yet determined the extent of the robbery. More Homes Looted. Someone entered the home of Mrs. J. W. Thomas, 149 North Thirty-third street, through the rear door, and ransacked the house, according to a police report. Estimate of the loss has not yet been made.

Mike Toder, 1414 Chicago street, reported a sneak thief entered his room through a rear window and stole \$115. Two tires were stolen from an automobile belonging to Joe Jelinek, 1215 Arbor street, while parked at Fourteenth and Howard streets.

Two negroes, armed with automatic pistols, held up and robbed Harry Williams, 311 Sixteenth street, Council Bluffs, of \$40 at Ninth street and Capitol avenue as he was returning home from his work at the smelter.

D. Levin, 104 North Thirty-fifth street, heard someone removing the screen from a rear window of his home. He got up, seized his revolver and began to investigate. The prowler heard him and fled. Levin pursued the man several blocks, but gave up the chase and returned to bed.

An overcoat was stolen from an automobile belonging to Edward Dullen, Spencer, Ia., parked at Fourteenth and Douglas streets. The State Furniture company has asked police to locate a negro man and woman who purchased \$600 worth of furniture from the company last Monday, had it delivered to 2618 Franklin street and then disappeared with the merchandise without making any payments.

Cigars Are Stolen. Two oriental rugs were stolen from the photograph studio of the Riechart-Marsden company, 302 South Eighteenth street. Sam Maght, 1208 South Thirteenth street, reported the theft of several boxes of cigars and some small change from his cigar store.

419 Eggs From 20 Hens In 30 Days. Mr. Dougherty Got This Result in October. Plan is Easily Tried.

"I tried Don Sung and the results were far past my expectations. I got 419 eggs in 30 days from 20 hens while normally I think that is a week's work, as they hardly laid at all before." Frank Dougherty, 6940 E. 11th St., Indianapolis. Mr. Dougherty bought \$1 worth of Don Sung in letter in November. Picture his profit on \$5 dozen eggs from hens that formerly laid little or nothing. This may sound too good to be true, but it costs nothing to find out. We'll make you the same offer we made him. Give your hens Don Sung and watch results for one month. If you don't find that it pays for itself and pays you a good profit besides, simply tell us and your money will be cheerfully refunded. Don Sung (Chinese for egg-laying) is a scientific tonic and conditioner. It is easily given in the feed, improves the hen's health and makes her stronger and more active. It tones up the egg-laying organ, and gets the eggs, no matter how cold or wet the weather. You can obtain Don Sung from your druggist or poultry remedy dealer, or \$1.04 (includes war tax) for a package by mail. Bureau-Dugger Co., 214 Columbia Bldg., Indianapolis, Ind.

Patrolman Is Charged With Ruthless Cruelty

Man May Lose Eyesight As Result of Attack— Formal Charges Filed Against Officer.

Clifford E. Cain.

Brutality charges growing out of an alleged beating administered William Monday, 1434 North Thirtieth street, last Saturday were filed against Patrolman Clifford E. Cain, 2616 Browne street, with Police Commissioner Ringer. No action will be taken against Cain until a thorough investigation has been made, Ringer said. The Rev. John Albert Williams, negro minister, declared Monday is threatened with blindness as a result of the alleged beating.

The attack on Monday is alleged to have been made during a raid on the Merchants transfer barn, Fourteenth and Jones streets, where Monday said he had gone in search of a relative. When taken to Central police station Monday's face was bleeding and badly swollen. Medical aid was given by police surgeons. Cain was fined five days' pay yesterday by Chief Eberstein for sleeping while on duty. Sergeant Thespring reported he caught Cain "napping" at Sixteenth and Chicago streets.

Y. W. C. A. Straw Vote Gives Harding Lead

Senator Harding leads Governor Cox by 59 votes, and Governor McKelvie has 94 ballots as against John H. Morehead's 74 and Judge Wray's 2, in the straw vote which is being taken at the Y. W. C. A. on the presidential and gubernatorial contests. The first day's balloting of the young women indicates they will split their vote when they go to the

polls election day. Voters included members of the gymnasium, millinery, and dressmaking classes. At the business women's club Tuesday night the vote stood: Harding, 54; Cox, 31; McKelvie, 41; Morehead, 27, and Wray, 15. At the business women's luncheon at noon, Harding received 72; Cox, 35; McKelvie, 59; Morehead, 37; Wray, 8, and Watkins, 2.

"Too Much Talk," Legion Secretary

Work and Not Hot Air at Pink Teas Needed in Americanization Program.

Charges that discussions on Americanization work by members of leading social organizations were not merited were made yesterday by Ken

dall Hammond, secretary of the Douglas county chapter of the American Legion.

"There is too much talk on the question in the Athletic club and not enough on South Twelfth street," Mr. Hammond declared.

"Nor is the American Legion ahead in Americanization work. We've been having too many lectures on what ought to be done instead of action in this matter."

"Society women are too active in giving afternoon teas where Americanization work is discussed," Mr. Hammond continued. As an incentive to move social and

business clubs to action in Americanization work, the Douglas county chapter of the legion has arranged for a series of lectures to be given before the clubs by Dr. Albert E. Jenks, professor of sociology at the University of Minnesota. Dr. Jenks will be in Omaha on October 29-30-31.
