HOUSE SALE BEGINS Have You \$500?

This is the sale you've been looking for, because you can buy a house cheap and on terms that's the same as rent. The houses are located in one of Omaha's best residence districts-they are all modern and are complete in every respect.

This is a clean-up sale of all the houses that we have built this year; we are offering them to you at a much less price than you can buy the same house in the Spring. Remember! For the last five years you have had to pay more for a house in the Spring than you would if you had bought in the Fall, so if we can keep from carrying these houses over the winter we are willing to let you save what we would have to pay for carrying charges. It is our honest belief that houses like these will not be cheaper for the next two years. The material in these houses was bought below present prices.

Take Benson car and get off at 49th and Military Ave. Office on property, or call any of the following numbers and we will take you out:
