

Red Haired Girl Buys License to Wed Kansas Man

"Village Cutups" Chirp as Girl Produces \$2 Fee to Purchase Document From "Cupid."

Anne Winmore, 4846 South Twenty-second street, procured a license in county court yesterday to marry Jonas S. DeVore of Learned, Kan.

A couple of "village cutups," loafing around the license bureau, inquired whether Anne had "popped the question."

"This is leap year, you know," smiled Anne, who has red hair and a sense of humor.

Anne confessed to 34 years, but looks younger. She gave Jonas' age as 35, but said he "looks older."

"How much is the license? I've only got \$2," said Anne.

"That's exactly the price; have the correct fare ready, please," said "Cupid" Stubbendorf.

Anne and a girl friend, who accompanied her, produced two silver dollars.

"If he won't marry me, can I get my money back?" asked the fair bride-to-be.

"Not on your life," said Stubbendorf.

"The license won't be worth any more than a last year's calendar," declared one of the "cutups."

"No more than a yesterday's transfer," said another "cutup."

"Well, I think I can make use of it," said Anne, putting the license into a beaded handbag and sweeping gracefully out of the office.

"We'll say she can," chorused the "cutups."

Ure Knocks Props From Under Demo Campaign "Bunc"

Democrats Masquerading as "Reformed Republicans" Scored by Douglas County Chairman.

W. G. Ure, republican county chairman, has done little talking for publication during this campaign. He believes a county chairman should be known by his works rather than his words. But yesterday he broke the silence by speaking right out.

He is speaking democratic stories representing the voters who have been regular republicans in the past are now out for the Wilson league of nations and for Gov. James M. Cox.

He started yesterday with Jay Burns and his son, Mount, both residing at 2017 Binney street, and also Rev. D. E. Jenkins, president of the University of Omaha.

"In the first place," said Mr. Ure, "Jay Burns is registered at the election commissioner's office as 'no party' and his son as democratic. I have lived in the second house from Mr. Burns for 15 years and I have discussed national politics with him ever since 1896, and I know he has never voted the republican ticket. He has always been a democrat."

"I also know that Rev. Mr. Jenkins voted for Woodrow Wilson twice, for the awfully good reason, I suppose, because he kept us out of war."

Mayor Smith's comments on the democratic league of nations meeting Friday night also brought a snappy rebuttal from the republican county chairman.

"I think the meetings did Governor Cox a world of good and I think that Douglas county will go for Cox," said the mayor. "I have been speaking to women this week and it is my opinion that 90 per cent of the women of Omaha are for the league of nations."

The mayor hedged when asked what he thought of the Nebraska situation as between Harding and Cox.

"Mayor Smith's statements are as correct as usual," was the rejoinder of Mr. Ure. "Harding and Coolidge will carry Omaha, Douglas county and Nebraska by a decisive majority. The people of Omaha and of the whole country are tired of the incompetency and criminal waste of money and don't forget that Governor Cox is in complete accord with the president."

Thomas Lynch, secretary of the republican county central committee, said: "Clinton Bromie's squad of speakers who are working under the direction of the Douglas County Republican club, are making more converts among the common people than any 'millionaire' group of democratic speakers, such as we had here Friday night."

Disbursements Of Republicans \$2,741,503.34

Statement of Funds Between June 14 and October 18 Filed With Clerk of House By Treasurer Upham.

Washington, Oct. 23.—Total disbursements of the republican national committee between June 14 and October 18 of this year, were placed at \$2,741,503.34, in an official statement filed with the clerk of the house of representatives by Fred W. Upham, treasurer of the national committee. Receipts for the period were placed at \$2,466,091.54.

The statement placed the number of contributors at 34,867, and added that only 16 contributions in excess of \$1,000 had been received. These 16 contributions, it added, aggregated \$38,750. The Hamilton Club, Chicago, was named as largest single contributor, with \$6,120.50.

The committee's announcement said other contributions ranged from 25 cents to \$1,000, and covered the entire country.

"Treasurer Upham reports," it added, "that contributions for state committees were received to the amount of \$1,015,618.64 and transmitted by him as agent to state committees."

Automobile Thieves May Force Insurance Rate Raise

Omaha automobile men declared Friday recent activities in Omaha may force automobile and automobile theft insurance companies to boost rates in the city and vicinity as they have been forced to do in Kansas City, Topeka, and Wichita, Kan. Last year, Omaha was "good" when compared to neighboring cities on the automobile thefts score. During the last week, however, Omaha has been the victim of a theft of a high priced car every day.

Women's Tailored Suits

An Important Offer—and the reason for it

WITH PRICE CHANGES impending the best master tailors in America made up their advance orders and stopped. Today while the market teems with garments carelessly and cheaply made to fit the price demands, good garments are almost unobtainable. In spite of their desirability and value we bow to the present tendency and have reduced prices on our stock of Tailored Suits.

They are suits mostly one of a kind, and made of the choicest warm fabrics with wondrous linings and are interlined, while the designing and tailoring in every particular shows the unmistakable hand of the skilled artist. A large percentage of them are graced with soft rich furs that perfectly blend and harmonize with the Autumn suit colorings. Some of the deep, beautiful fur trimmings are—
