

Landslide For G. O. P. Is Assured

Reports From All Parts of
Country Show Harding and
Coolidge Certain of 325
Electoral Votes.

Nine States in Doubt

By ARTHUR SEARS HENNING.
Chicago Tribune-Omaha Bee Leased Wire.
Chicago, Oct. 30.—An overwhelming victory, probably a landslide, for Harding and Coolidge is the forecast of the result of the presidential election next Tuesday. Governor Cox bids fair to be one of the decisively defeated candidates for the presidency in history.

Reports from Tribune correspondents throughout the country received last night and carefully checked against the real expectations of managers at republican and democratic headquarters, indicate Harding conservatively may be expected to carry not less than 26 states, with a total electoral vote of 325, while Cox is assured of 13 states with an electoral vote of 149, leaving in the doubtful list, 9 states with 57 electoral votes.

The distribution of votes in the electoral college, based on reports of conditions in the several states, follows:

For Harding.
Alabama, 12; Arizona, 12; California, 32; Colorado, 12; Connecticut, 12; Delaware, 12; Florida, 12; Georgia, 12; Idaho, 12; Illinois, 28; Indiana, 12; Iowa, 12; Kansas, 12; Kentucky, 12; Louisiana, 12; Maine, 12; Maryland, 12; Massachusetts, 12; Michigan, 12; Minnesota, 12; Missouri, 12; Montana, 12; Nebraska, 12; Nevada, 12; New Hampshire, 12; New Jersey, 12; New Mexico, 12; New York, 36; North Carolina, 12; North Dakota, 12; Ohio, 24; Oklahoma, 12; Oregon, 12; Pennsylvania, 20; Rhode Island, 12; South Carolina, 12; South Dakota, 12; Tennessee, 12; Texas, 32; Utah, 12; Vermont, 12; Virginia, 12; Washington, 12; West Virginia, 12; Wisconsin, 12; Wyoming, 12.

For Cox.
Alabama, 12; Arizona, 12; California, 32; Colorado, 12; Connecticut, 12; Delaware, 12; Florida, 12; Georgia, 12; Idaho, 12; Illinois, 28; Indiana, 12; Iowa, 12; Kansas, 12; Kentucky, 12; Louisiana, 12; Maine, 12; Maryland, 12; Massachusetts, 12; Michigan, 12; Minnesota, 12; Missouri, 12; Montana, 12; Nebraska, 12; Nevada, 12; New Hampshire, 12; New Jersey, 12; New Mexico, 12; New York, 36; North Carolina, 12; North Dakota, 12; Ohio, 24; Oklahoma, 12; Oregon, 12; Pennsylvania, 20; Rhode Island, 12; South Carolina, 12; South Dakota, 12; Tennessee, 12; Texas, 32; Utah, 12; Vermont, 12; Virginia, 12; Washington, 12; West Virginia, 12; Wisconsin, 12; Wyoming, 12.

White Dodges Figure

If Cox should carry all of the doubtful states he would have 206 votes and Harding would win with a majority of 119. There is little doubt, however, of Cox winning these doubtful states.

Democratic National Chairman Hays predicts the election of Cox and Roosevelt, but carefully refrains from claiming any individual states outside of the solid south and from getting down to figures at all.

Republican National Chairman Hays foresees a tremendous landslide for Harding, as does Vice Chairman John T. Adams, who lists 27 states as absolutely certain to give the republicans 333 electoral votes.

"The evidence of the overwhelming republican victory hourly increases," Mr. Hays said. "It is now certain that the republicans will carry the following states, with a minimum total of 368 certain electoral votes:

California, Colorado, Connecticut, Delaware, Idaho, Illinois, Indiana, Iowa, Kansas, Maine, Massachusetts, Michigan, Minnesota, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Jersey, New York, North Dakota, Oregon, Pennsylvania, Rhode Island, South Dakota, Utah, Vermont, Washington, West Virginia, Wisconsin and Wyoming.

Other Chances Good

"In addition, the republicans have very much better than an even chance to carry Arizona, Kentucky, Maryland and New Mexico, with 27 additional electoral votes. This makes 395 republican electoral votes almost certain out of the total of 531. Republican victory in Kentucky is absolutely certain, provided the weather is such that it is physically possible for the great republican majority in the mountains of eastern Kentucky to get to the polls."

Cox Says He Will Confer With Taft If He Is Elected

Demo Candidate Declares He
Will Seek Opinions of Ex-
President, Root and Wil-
son Before Joining.

Chicago, Oct. 30.—Five speeches in Chicago, one in Gary, Ind., and an old-fashioned torchlight parade were on Governor Cox's schedule today for the windup of his campaign for the presidency.

One of the greatest demonstrations of the democratic campaign was planned for the evening of tonight in the Coliseum, where Senator Harding, the republican nominee, was chosen last June.

The governor first was to address a women's meeting in a theater, and later was to speak before the workers at the Gary steel mill, returning to Chicago for a speech to Northwestern university students at Evanston. There were to be other speeches in various sections of Chicago throughout the day and night.

Will Have Parade.
Gayly decorated and illuminated automobiles were to form the main section of the parade this evening from the governor's hotel to the Coliseum.

Governor Cox made public here today a telegram to a woman supporter, in which he stated his intention to consult with both democrats and republicans, if elected, to secure ratification of the peace treaty, and to consult with other leaders regarding Irish and Jewish racial questions.

Will Hold Conferences.
"If I am elected," said the governor, "I shall recognize the mandate for entrance into the league of nations and shall work out that solution by conference with the senate, but accepting such helpful suggestions as are necessary to that end. I shall consult with Woodrow Wilson, with Elihu Root, with William Howard Taft and any others who by virtue of their experience can render helpful service."

Furthermore, in the consideration of specific matters like the case of Ireland, it is my purpose to consult with men who nurture the traditions and desires of the Irish people, such as Bourke Cockran and Governor Alfred Smith of New York, and David Walsh of Massachusetts, and in connection with the Jewish question, I will consult with leaders of Jewish thought in America."

A coast wagon and wheel, belonging to Ralph Shipley, 808 North Nineteenth street, were found in the boy's possession. He admitted stealing these, police said.

No Trace Found Of Missing Crew Of Concrete Ship

Coast Guard Members Unable
To Find Any of 19 Men
Lost on Steamer in Nar-
ragansett Bay.

Newport, R. I., Oct. 30.—Members of the coast guard crew stationed here reported today that no trace had been found of any of the 19 missing members of the crew of 34 who were on the concrete steamer Cape Fear when that vessel was sunk in Narragansett bay last night in a collision with the Savannah Line steamer City of Atlanta.

The coast guardsmen conducted an all night search and found only quantities of wreckage. Points along the shore also reported wreckage, but there was no word of the missing men. Both vessels carried only their crews.

The Cape Fear was struck amidships and sank in 3 minutes about half way between Castle Hill, on the Newport shore, and Goose island, going down bow first in 129 fathoms, the greatest depth in the bay.

The City of Atlanta's bow was badly damaged. Her bulkheads held, however, and she anchored in the bay. The Cape Fear went down so quickly that the majority of the crew had to jump into the water.

Captain Garfield of the City of Atlanta, describing the accident, said that he picked up the lights of the Cape Fear and signalled with one whistle, which was answered. He was hearing steadily for the return, with plenty of clearance room, when suddenly the Cape Fear swung across his bow, blowing two whistles as a signal after she had turned to cross to the other side. Captain Garfield said he ordered full speed ahead, but could not avoid the collision.

Mexican Recognition
Negotiations Will
Start After Election

Washington, Oct. 30.—Formal negotiations looking to the recognition of the new government in Mexico are expected to be inaugurated immediately after the elections. It is understood that Robert V. Pequeira will then ask for an audience with State department officials.

In administration circles today it was stated that as a preliminary to full recognition much depended upon Mexico's own action. It was pointed out that the Carranza decrees against which the American government has repeatedly protested have not yet been rescinded.

Gigantic "Bootleg" Plot Bared

Whisky Traffickers Planned
To Defraud Purchasers by
Counterfeiting Internal
Revenue Stamps.

Poisonous Liquor Found

Washington, Oct. 30.—A nationwide conspiracy to defraud purchasers of bootleg liquor by counterfeiting internal revenue stamps and labels of standard brands of whisky was disclosed by Commissioner Williams of the internal revenue bureau here today. Five men arrested in Detroit, Mich., were found to have hundreds of such stamps, labels and quantities of fermenting whisky mash, Mr. Williams stated.

Great quantities of poisonous bottled liquor bearing labels of standard brands and covered with counterfeit "bottled in bond" stamps he warned are now on the market. The men arrested are said to have made a detailed confession implicating hundreds of other men.

The favorite and most profitable fraud, it was stated, is that perpetrated through labels bearing the name of "Canadian Club" and "Home Walker Imperial" whisky, which commands a high price in the United States and which has recently become astonishingly easy to obtain.

Thousands of bottles purporting to be "bonded" liquor of this brand have recently been sold at from \$18 to \$25 per quart. The grade of liquor found in the samples examined was found to be very low, and in some cases poisonous.

The roots of the conspiracy are said to reach into Canada, where legitimate whisky of these brands is manufactured.

British Miners To Vote Tuesday

Leaders Confident Ballot Will
Show Big Majority in Favor
Of Ending Strike.

London, Oct. 30.—According to present indications British coal miners will return to their work a week from next Monday.

At present this is the program of the miners' leaders, who announced that the men's vote on acceptance or non-acceptance of the peace terms would be taken next Tuesday. The returns will then be brought before a meeting of the miners' delegates in London next Wednesday.

At this meeting, if the vote is favorable to a settlement, as it is expected it will be, the great coal mine strike will be called off formally. The miners' leaders are most confident of the outcome and expect high majorities for peace in every section excepting South Wales, where the radical influence is strong. They feel sure, however, that the possible negative returns from South Wales will be heavily outweighed by the rest of the country.

An excellent omen lies in the fact that in several of the coal fields the mine owners already are arranging to get the ponies back into the pits in readiness for resumption of operations.

The miners' delegates scattered from London to the various districts for the purpose of urging their men to vote in favor of the peace terms, in accordance with their promise to the government.

Injured Messenger
Boy Sues Motorist

Thayne G. Brightwell, 17, 4124 North Twenty-fifth street, messenger boy, run down by an automobile and seriously injured at Eighteenth and Cass streets, October 18, yesterday filed suit in district court against Lee M. Swindler, formerly president of the American State Bank, asking \$50,000 damages for injuries received in the accident.

The motorist who ran down the boy made his escape after the collision and was sought by police several days while the lad was reported near death.

Brightwell's suit also names the Omaha Paint & Glass company as a defendant. A truck belonging to this company was also involved in the accident.

Young Brightwell is reported to be on the road to recovery.

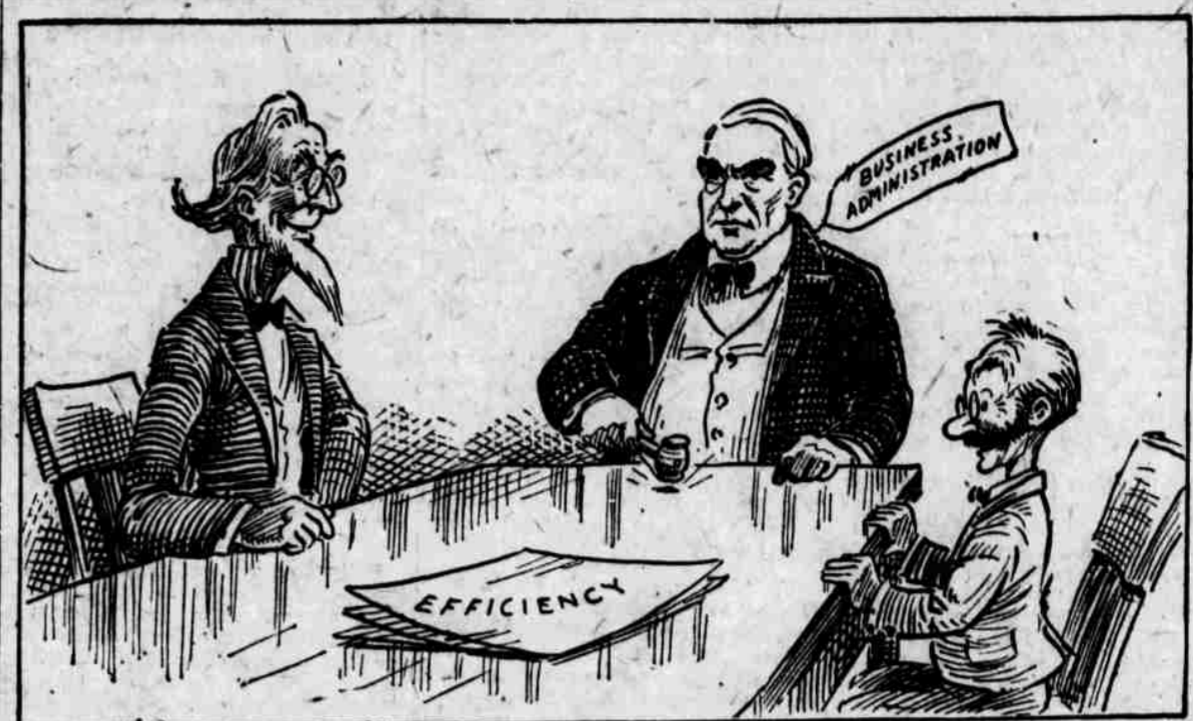

Bids for Hog Island Ship
Building Plant Rejected

Washington, Oct. 30.—Only two bids, both of which were rejected, were received by the shipping board for the great Hog island ship building plant near Philadelphia.

The Barde Bros. Steel corporation of New York bid a flat \$4,000,000 and the New Jersey Machinery Exchange of Newark bid \$4,268,750.

As the plant cost the government \$70,000,000 when it was built the bids were declared by Chairman Benson as entirely inadequate.

It's Up to You

Democracy's chief fear is that if Harding is elected the country will have an efficient business administration.

Even at that, it would be preferable to this.

Farmers to Meet In Chicago Dec. 2

Co-operative Purchase of All
Supplies Will Be Discussed
by Representatives.

Chicago, Oct. 30.—Co-operative purchase of farm supplies by farmers' business organizations will be taken up by the Farmers' National Grain Dealers association at a convention here Dec. 2 and 3. The major subject will be the co-operative selling of grain. Announcement of the tentative program was made here today.

According to national headquarters of the association here, there are 4,600 farmers' co-operative elevators in the country, representing an investment of \$100,000,000. They are said to handle annually 1,000,000,000 bushels of grain. Their purchase of supplies in a year are estimated at \$250,000,000.

Farmers Biggest Work.
These elevators constitute the biggest business organization of farmers in the world, association headquarters said today. "It is hoped to group purchases so as to take the entire output of factories."

Ohio is the first state to form a collective purchasing company, and Charles Lathrop of Defiance is scheduled to tell of what is accomplished today. A company incorporated at \$100,000 has been in operation in Ohio since the first of last July.

Practical propositions submitted by manufacturers will be reported. Establishment of a national wholesale buying association will be the subject of a committee report, a committee on this subject having been named at the March meeting of the association. The Farmers' Union Exchange of Nebraska and the Wisconsin Equity Purchasing association will be heard from.

May Form Insurance.
Co-operative wholesale efforts, terminal grain marketing, and bonding and insurance will be other subjects before the convention.

Among speakers scheduled are Harold G. Powell, manager of the Citrus Fruit Growers association of California, Thomas Crerar, head of the Canadian Grain Growers company, and Secretary E. T. Meredith of the Department of Agriculture.

This is the first national convention of the kind to be held by the association. Heretofore its conventions have been composed of two gates from each state, but next month this limitation will be taken off.

Cox Maintains League Advocacy In Final Speech

Democratic Candidate Winds
Up Most Extensive Campaign
Ever Undertaken With
Meeting at Chicago.

By ROBERT B. SMITH.
Chicago Tribune-Omaha Bee Leased Wire.
Chicago, Oct. 30.—Gov. James M. Cox brought his long and energetic campaign for the presidency to a strenuous windup today, with a series of meetings in and about Chicago in which he expressed confidence in victory Tuesday, and maintained his advocacy of the league of nations with undiminished vigor to the top of the gong.

When the democratic candidate stepped upon the stage of the Coliseum tonight, he completed the most extensive stumping tour ever undertaken by a presidential candidate. He has spoken in 36 states and covered nearly 20,000 miles from coast to coast in his efforts to carry his case to the voters.

Arriving in Chicago early this morning from Akron, the governor was on the jump until midnight and then went back to Dayton. He spoke first to a meeting for women only at noon at Wood's theater. Then he hurried away to Gary, Ind., where he made a final effort to swing the Hoosier state with the aid of the steel workers' votes in northern Indiana. He spoke also at Evanston and then returned to Chicago to speak at the Coliseum.

Big Crowd at Theater.
Several thousand women greeted Governor Cox with much enthusiasm at Wood's theater. The meeting was advertised "For Women Only," but a few men managed to elude the police and get into the theater. All the women wore badges with the inscription "I am for the league," and the governor devoted practically all his address to the treaty issue. He moved his feminine audience some times to tears, some times to enthusiastic hand-clapping and several times to hisses, as he denounced the opponents of the peace treaty.

The theater was so crowded that (Continued on Page Five, Column Four.)

Hearing of Alleged
Burglars Continued

Preliminary hearing of grand larceny charges against Jacob White and Harry Warthon, 3625 T street, accused of stealing \$390 and a diamond ring from the home of Frank Damata, 2201 Haskell street, October 17, was continued to Tuesday in Central police court yesterday.

White confessed the theft, police say, saying he gave the money to Warthon, who returned \$180 to him and concealed it in a phonograph when White returned it again. White also said he threw the diamond away at the time of his arrest, detectives claim.

Ralston Woman Granted Divorce

Mrs. Nausler, Heroine of Bank
Robbery, Makes Accusations
Against Husband.

Mrs. Margaret Nausler, the woman who was bound and gagged by robbers attempting to gain entrance to the Citizens State bank of Ralston two months ago, was granted a divorce from her husband, Basil, by District Judge Sears yesterday.

Her attorney, John C. Barrett, after failing to bring about a reconciliation, secured a settlement from Nausler whereby Mrs. Nausler was given their home in South Omaha, the furniture and \$15 a month, the latter for maintenance of the 4-year-old daughter. The custody of the little girl was given to Mrs. Nausler.

Mrs. Nausler trembled visibly in the court room. She said she is a "nervous wreck" because of worry over her experience with the bank robbers.

She said her husband called her vile names, constantly quarreled with her, struck her and often said he "didn't care for her any more."

For a year, she said he has "indulged in beer parties with bootleggers and women."

The Nauslers operated a restaurant adjoining the Citizens' State bank in Ralston at the time the bank robbery was attempted. The men bound her, gagged her and threw her into the cellar of the restaurant while they tried to enter the bank.

The men agreed to work at their present scale pending the final report of their committee dealing with the employers.

Thousands Pay Tribute To Martyr

Stream of Friends Pour Into
Irish City to View the
Body of Terence
MacSwiney.

Hunger Strikers Firm

By The Associated Press.
Cork, Oct. 30.—Thousands of Irishmen of all classes and callings with their families, came to Cork today to pay their respects at the bier of Lord Mayor Terence MacSwiney, late of Cork. By train, jaunting cart and afoot, hundreds from the country about Cork and from the more distant Irish centers entered the city from early morning.

The glass-covered casket, revealing the emaciated features of the late lord mayor and his body dressed in the uniform of an officer of the Irish republican army, reposed on a flower-banked catafalque, four volunteers in civilian dress maintaining guard. The platform of the choir loft, in front of which the body lay, was a solid bank of greenery and flowers framing a central floral representation of the crucifix, which outlined against a huge background of black velvet, dominated the whole display.

The offerings were accompanied by condolence and tributes to the lord mayor's martyrdom from all parts of the world. Many came from the Chicago chapter of the Friends of Irish Freedom and other American organizations and individuals.

Father Dominic, the dead lord mayor's private chaplain, today received the following telegram from Chaplain-General James J. Troy of the American forces on the Rhine, dated at Coblenz:

"Please convey to the lady mayors and profound sympathy in her great bereavement. Mayor MacSwiney died for the things we fought for in the world and his name shall go down the ages as an immortal who did not quake before the tyrant, but whose soul was as grand as the ideal for which he died. I have said mass for him and the other martyrs in Cork jail, and will do the same on the feast of All Souls. Their names will forever be treasured, not merely in Ireland, but wherever the word and reality of freedom are loved and honored."

Ordered to Take Food.
Cork, Oct. 30.—Bishop Cohan of Cork visited the jail yesterday and peremptorily ordered the hunger strikers there to take food. All refused. Thereupon the bishop instructed the nuns attending the hunger strikers to prepare food. The nuns, having no alternative, obeyed the command and offered food to each of the prisoners, but all refused this afternoon.

Bishop Cohan now is appealing personally to the Sinn Fein leaders to release the prisoners from their hunger strike. At noon today they had completed the 80th day of their fast. Michael Burke collapsed this morning. Sean Hennessy and Thomas Donovan were reported very low.

Protest Funeral Postponed.
London, Oct. 30.—The Sinn Fein executive has decided to postpone the funeral of the late Lord Mayor MacSwiney of Cork until Monday as a protest against the government's action in the case, and to appeal from the military order restricting the length of the funeral procession to a quarter of a mile, says a dispatch to the Central News from Cork, this afternoon.

Memorials in U. S.
Washington, Oct. 30.—Memorial services for Terence MacSwiney, late lord mayor of Cork, will be held throughout the United States tomorrow, it was announced today by the Friends of Irish Freedom.

Bishop Thomas J. Shahan, rector of Catholic university, in a sermon at the university mass sung for the repose of the soul of the late lord mayor at the university today, declared that never in the history of mankind had there been an individual act of self-sacrifice equal to that of MacSwiney.

"The whole world," said Bishop Shahan, "has been incited, to speak, by MacSwiney's principles, and when it culminated in his death he won the respect and admiration of all, including his enemies."
