

Adequate Salaries For The Teachers

Omaha fathers and mothers should regularly attend the general session of the Nebraska State Teachers' Association at the City Auditorium this week.

Parental Interest Awakened

Every parent has a deep interest in everything pertaining to schools, and the program of these general sessions will include addresses of some of the ablest educators in the country.

"How to Win the Fight"

Parents will be specially interested in an address to be delivered by D. B. Waldo, President of the Western State Normal School at Kalamazoo, Michigan. On Friday morning at 9 o'clock Mr. Waldo will speak on "The Fight for Adequate Compensation and How to Win It." Mr. Waldo understands his subject.

Poorly Paid Teachers Lessen Efficiency

Every parent should be awakened to the importance of this subject, for poorly paid teachers means sooner or later no teachers at all.

"Adequate Salaries" the Slogan

"Adequate Salaries for the Teachers" is a slogan that should become general throughout America.

Our Rest Room Is At Your Service

Every teacher attending the State Association is cordially invited to come to the **BRANDEIS STORES TEACHERS' REST AND WRITING ROOM**, fitted up for this occasion. Take our elevators, **GET OFF AT THE THIRD FLOOR** and make yourselves at home.

Welcome the Nebraska Teachers, but don't forget to boost their salaries.
