Plan to Reorganize Tennis Association Among State Colleges

The Nebraska Inter-collegiate Tennis association, which passed out of existence when United States entered the world conflict in 1917, will probably be reorganized according to word received here.

The state association is planning to revive tennis in all universities and colleges in the state. It is planned to have a number of dual meets and a tournament to decide the state title.

Last year the University of Nebraska, University of Omaha and Nebraska Wesleyan university were the only schools to compete for the title, which Wesleyan won after hard-fought matches with Omaha and Nebraska. This year it is planned to have every school in the state conference enter a tennis team.

West Point Beats Norfolk for Title

West Point, Neb., Nov. 4.—(Special.)—West Point High school today won the championship of northeast Nebraska, by defeating Norfolk High school here, 7 to 6. Coach Dillon's warriors have won seven straight victories this year. The team is confident of winning the remaining games, which means that it is a strong contender for the state championship.

The locals play South Omaha here today.

The game started with West Point kicking off to Norfolk. The visitors failed to make their downs and punted West Point made a good return and gained ground consistently, but fumbled on Norfolk's 30-yard line. Both teams worked up and down the field, each making one touchdown in first half, but Norfolk failed to kick goal. The half ended West Point 7, Norfolk 6.

Plentiful Supply Of Turkeys Assured For Thanksgiving

New York, Nov. 4.—Well, that's over, how about the supply of turkeys? The great American electorate having assured itself that the country is saved for another four years or headed for the downfalls, now concerns itself with the problem of how to provide the piece de resistance for the next festival on the calendar.

The answer is that there will be plenty of turkeys, fat and cheaper—cheaper, that is, if you consider prices ranging from 45 to 65 cents a pound cheap. Time was and within the recollection of stomachs which still retain their youthful zest, that the bird made famous by the Pilgrim fathers could be bought for 15 cents a pound. But this year, in the words of August Silz, world's greatest poultry dealer:

"The warm fall has not been favorable for finishing the flocks. I look for a good supply. The price for number one grade will be from 50 to 55 cents to consumers, but those who prefer a handsome Maryland bird will have to pay more. A plentiful supply of fat roasting chickens, ducks and geese will keep prices down."

Higgins of Springfield, Mo., superintendent of motive power for the St. Louis & San Francisco railroad, and Paul Pennell, Monett, Mo., were killed and two other persons were seriously injured when an extra freight train crashed into Higgins' private car at Racine, Mo., near here, last night.

Official Count Not Needed to Decide on Momentous Question

Chicago, Nov. 4.—"If Senator Harding is elected I will say yes. If Cox is elected I will say I won't."

"All right, we will shake hands on it."

This all happened Tuesday morning. Yesterday morning Miss Bessie Chester and Walter L. Barnoske stepped up to the marriage license bureau in the county building. They got a license and found a willing preacher, because Bessie was the one who spoke the above piece on Tuesday morning.

"Oh, yes," she blushed. "I am awfully glad Harding won. And—and I thought the democrats didn't have a chance."

Marselles is planning to build two subways with a total length of seven miles to solve the transportation problem for its 800,000 residents.

Magnate Wants to Sell

Charles Ebbetts, president of the Brooklyn National League Baseball club, has announced his intention to sell his half interest in the club. He said he desired to retire from the club because of his waning enthusiasm in the game. Mr. Ebbetts said he had been in the game long enough and his offer to sell stands open to anybody who will offer a "satisfactory sum" for his interests.

"Drys" Pleased Over Victory of Harding

Chicago, Nov. 4.—The election of Senator Harding is more pleasing to the prohibitionists than the election of Cox would have been, Virgil G. Hinshaw, chairman of the prohibition national committee, said here.

"That is because of his recent public statement to the National Temperance council, that he would use whatever power he possessed to prevent the re-establishment of intoxicating liquors and also his statement that his future action on prohibition should be interpreted by his vote upon the 18th amendment and the Volstead law," Mr. Hinshaw said.

Mr. Hinshaw also sent Senator Harding a message of congratulation.

Interest in the coming games is at a high pitch among the women of the club and it will not be surprising if several side bets are wagered on the outcome of the match.

Mulholland to Develop Team's Aerial Attack

Creighton Coach Expects to Use Forward Passes Against Iowa State Saturday For Gains.

Coach Eddie Mulholland of Creighton university's foot ball aggregation has but one object in view this week and that is to develop his team's first line defense so that it will hold the husky Iowa State college eleven when the locals and Iowans clash on Creighton field Saturday afternoon.

The Catholic's coach is losing sleep these nights planning new formations to be used against the Cyclones. Mulholland realizes that without a good front wall, a speedy backfield cannot gain ground with trick plays. The Creighton foot ball tutor believes that if he can develop a line capable of holding the Iowa Aggies, his backfield, composed of Long, Condon, Harmon and Manley, will be able to plow through their opponents for good gains.

Creighton came out of the Marquette battle last week with Little, Long and Van Ackeren on the injured list. The injuries to the Catholics were slight, however, and the squad should be in good condition by Saturday.

Mulholland will scrimmage his men this afternoon, followed with practice in forward passing. The Iowa State team has a strong first line of defense and the local coach expects his players to use the aerial attack to gain ground.

Commerce Offers To Play Creighton

Catholics Refuse Saturday Game Because of Creighton-Iowa State Contest.

Creighton High's hopes of scheduling a game with Commerce High this season received a jolt yesterday afternoon, when Coach Drummond of the former school informed the local Catholics that unless they were willing to meet the Bookkeepers Saturday afternoon it would be impossible to arrange a contest later in the season.

Drummond offered the Catholics a game for Saturday, but the Creighton players refused to play, stating they wanted to witness the Creighton university-Iowa State clash.

After this week's game, Commerce will start on its last round of the season's schedule. The Bookkeepers have four hard games on their program before the end of the playing year, and it is doubtful if Coach Drummond's team will be able to play Creighton High.

Commerce's grid eleven will journey to Grand Island, Neb., Armistice day, November 11, to meet the Grand Island high gridsters. On Thursday, November 18, the Commercial players and South High clash for the city championship.

Wyoming Defeats Wesleyan, 14 to 7

Straight Foot Ball Results in "Cowboy" Victory—Nebraskans Score in Second Period.

Lincoln, Neb., Nov. 4.—(Special.)—Wyoming university invaded Nebraska today and trounced the Wesleyan Coyotes on the University Place field here yesterday, with a score of 14 to 7. The score is a fair indication of the relative strength of the two teams, although the Methodists were rather lucky to obtain their lone touchdown.

The westerners started the game like they were going to swamy all the way. Madden scored the touchdown and Laymen kicked goal.

In the second period Wesleyan scored its only touchdown. The ball was in Wesleyan's possession on Wyoming's 18-yard line, with only a few seconds to play. McCandless signalled for Fullback Dewitz to take the ball on a wide end run and the speedy back carried the pigskin across the goal just as time was called. Kahn kicked goal.

The visitors made their last tally in the third quarter when they took the ball in midfield and carried the ball by straight foot ball down to Wesleyan's goal, where Wilson went over for a touchdown. Laymen kicked goal.

Cross bucks and off-tackle plays were used effectively by Wyoming.

Madden, Erg and Simpson starred for the visitors. Dewitz and Kahn did the best offensive work for Wesleyan.

Coach Mulligan's proteges were given a stiff scrimmage yesterday against the reserves, and are improving in their interferences. Mulligan has been drilling his backfield to form strong interference for the team with the ball.

The Central High Reserves will also make the trip to Lincoln, playing the Lincoln seconds in a preliminary contest to the main battle.

Italy will also establish a direct steamship line with Mexico, and the Italian government has authorized Gen. Peppino Garibaldi, grandson of the famous Italian patriot, to go to Mexico to return the visit of Senor Palavacini to Italy.

"As the policy of Mexico toward the United States will be friendly," he continued, "the relations between Mexico and all the world outside will be very good in the future."

New York, Nov. 4.—A murder mystery, baffling in motive, today confronted the police investigating the death of Leads Vaughn Waters, 40, wealthy club man of London and New York, found early today in a room in the Plymouth hotel here.

Death resulted from a fractured skull, caused, police believe by blows from Waters' own cane, wielded by a man who accompanied him to the hotel last night and who rushed from the room, still carrying the stick a few seconds before the body was found. He left as clues, finger prints on a mirror in the room, and the name "James Dunn, Milwaukee," upon the hotel register.

Waters registered at the hotel as "J. Talbot, Milwaukee."

Waters was a member of a family of piano manufacturers. He had been living with his mother in a Bronxville hotel since October 26.
