Gompers Pleased At the Result of Tuesday's Voting

Nenpartisan Political Policy of Labor Federation More Completely Justified Than Ever Says Leader.

Washington, Nov 5 .- (By The Associated Press.)-Samuel Compers. president of the American Federation of Labor, declared today in his first statement on the outcome of Tuesday's elections that "every forward looking man and woman must ice! some deep regret because of the great plunge towards reaction.'

"But democracy will right itself at the proper time," said Mr. Gompers, "and meanwhile the actual tabulation of results in congress, the lawmaking body, shows a definite and specified gain for all that makes for progress and responds to the needs of/our time. Mr. Gompers asserted that every man in the house whose "record of service was perfect had been re-elected," and added that the new congress would show an increased number of men who hold union

Policy is Justified.

The nonpartisan political pelicy of the labor federation, Mr. Gompers continued, "is more completely justified than ever and the futility of separate party action more convincingly demonstrated."

Referring to the congressional elections, Mr. Gompers said incomplete checking already showed "that o congressmen who were inconsiderate and hostile have been defeat-

"This is one of the most impres-sive features of the entire election," said he. "Fifty time servers have been beaten.

"Against these 50 the working people have elected from 55 to 60 Watchman Kills Alleged

men whose records show fair and considerate service. This represents a clear gain for integrity in gov-

Union Men Elected.

Mr. Gompers said it was probable to congress of at least 50 union men and said it was probable that the final counting would show the election to congress of "more than 20, possibly 25" union men.

The nonpartisan, campaign of the American Federation of Labor," the veteran leader continued, "was primarily and most effectively a campaign in congressional districts. Its results were gained in the primaries and in the election. These results will serve as a constant reminder to all servants of special privilege and the ever-present and always impressive fact will be before the new congress that 50 of the unfaithful and the hostile were defeated by the organized workers of our republic

U. S. Indictments Financial Guide, Banker Declares

New York, Nov. 5.-A bank president says:

"With the changing times bankers must be alive to new conditions. I don't buy any paper now unless the man behind it has been indicted. A government indict-ment shows that he has been mak-ing money. It he has not been indicted he is probably losing money, I believe I have in government indictments a better guide than either Dun or Brad-

street's,
"When I become thoroughly convinced that the policy of our government was to indict men for heir success, as contrasted with the British system of knighting men for their success, I changed my standards accordingly.

tions with Japan respecting the new treats, is collaborating with Am-bassador Shide Hara in drawing up termined whether is will be returned Iowa School Teachers to Tokio and he probably will not be returned to his post if the negotrations are not concluded soon. It is not believed that the senate

will refuse to ratify the new treaty, ministration would be pleased to start with a clean slate so far as meetings on various educational too-Japan is concerned. The Japanese question has disturbed America's foreign relations ever since 1913, when the paragraph of the convention and Friday evening the teachers will hear an adwhen the negotiations springing from ownership law by the California legislature were sildenly terminated.

Southern Bankers to Form \$12,000,000 Trade Corporation

Atlanta, Ga., Nov. 5.—Formation of a \$12,000,000 foreign trading corporation under the Edge act to irance exports cotton will be undertaken at a meeting in New Orleans next Saturday to be attended by bankers from all southern states. It was called by Robert F. Maddox, president of the Allanta National bank as chairman of a special committee formed in Washington during the annual convention of the American Bankers association While the new corporation will eventually trade in all products of the south, cotton dealing will receive

first atention Chairman Maddex said there was no purpose of controlling the cotton situation or aiding the holding of cotton for higher trices, but to foster sales of cotton and other products to foreign courtries and to provide the banking facilities for that

In Session in Des Moines Des Moines, Nov. 5 .- About 7,000 the state are in Des Moines for the convention of the Iowa State Teachers' association who has been elected to succeed Warren G. Harding to the senate.
