

Nebraskans to Be Honored by Wisconsin Chapel

Prominent Americans and Members of French High Command Will Attend Impressive Ceremonies.

Delafield, Wis., Nov. 7.—(Special.)—In the presence of a notable gathering to include Governor E. L. Philipp of Wisconsin, Governor Frank O. Lowden of Illinois, Maj. Gen. Leonard Wood and staff, Lieut. Col. Louis Rosignol of the French high command, 300 members of the St. John's military academy alumni association from all parts of the country in service uniform and the cadet corps, President Sidney T. Smythe will lay the cornerstone here November 14 for the Victory Memorial chapel to be erected here in honor of more than 700 St. John's graduates and former students who served in the world war.

The chapel will be of Waukesha limestone, 100x60 feet, and built in lines of Gothic architecture to harmonize with the present academy group. It is planned to give over one entire wall to a huge memorial tablet of individual name plates, those who died in service being designated by gold stars. Funds for the project are being raised in a nation-wide subscription campaign under direction of the St. John's Victory Memorial corporation. The corporation is a separate organization from the academy, thus guaranteeing the perpetuity of the edifice. An endowment fund has been pledged for maintenance.

Among Nebraskans to be honored by the memorial are: Joseph H. McClure, Robert C. Strehlow, Raymond C. Buell, Jacob C. Hess, Wayne E. Smith, H. V. Hayward, Howard H. Baeris, James E. Bone, C. F. Gruening, Herman Metz, Arthur Strehlow, J. J. Hess, Omaha; Henry Lee Dempster, Ralph C. Scott, Daniel Kees, Charles W. Needham, Beatrice; Philip J. Wahlstrom, Wahoo; Thomas Wolfe, Jr., David City; the Rev. Eugene Weisling, Callaway; James H. Clarke, Phillips; Wallace E. Cochran, Norfolk; Dean C. Cook, Spencer; Harry L. Fischer, Creighton.

Harding Gives Sousa Buckeye

Famous Bandmaster Entertained by Presidential Candidate at Home in Marion.

Senator Harding, republican candidate for the presidency, and Lieutenant Commander Philip Sousa recently entertained one another and the entire population of Marion, O., when Sousa and his band appeared there on the concert tour which will bring him to the Omaha auditorium Wednesday, November 10.

Senator Harding and his family entertained the great bandmaster at the Harding home in the forenoon. Mr. Sousa and his band were guests of honor at a gala luncheon provided by the citizens, at which the presidential nominee presided, signifying the occasion by presenting Mr. Sousa with a gold-mounted buckeye, plucked by the senator from the now famous tree on the Harding lawn.

Sousa and his band replied in the evening with a special program in honor of their hosts, and with the Harding family as the guests of honor at the theater.

Thousands, unable to gain admission to the theater, packed the streets until the concert ended, when there was a spontaneous outdoor ovation for Senator Harding and the "March King" whose band accompanied the candidate and his party to a waiting train, which took Mr. Harding to Chattanooga.

Man Arrested Once For Crime Is Again Held For Girl's Death

Harlan, Ky., Nov. 6.—Although released once before for lack of evidence implicating him with the murder of Miss Lura Parsons, a school teacher, on a lonely mountain trail here September 7, Dr. H. C. Winnes, a state veterinarian, has been arrested and again charged with slaying the girl.

County authorities, however, have refused to divulge the new turn in their investigation which caused the arrest of Dr. Winnes. James Robinson, a negro, also is held in connection with the murder.

How to Revitalize Wornout Exhausted Nerves

Your nerve power depends on plenty of good, rich, red blood—the kind that organic iron—Nuxated Iron—helps make. Nuxated Iron is like the iron in your blood naturally found in spinach, apples, and apricots, while metallic iron is iron just as it comes from the action of strong acids on iron filings. Nuxated Iron does not injure the teeth nor upset the stomach. It is an entirely different thing from ordinary metallic iron. It quickly helps make rich, red blood, revitalizes wornout, exhausted nerves and gives you new strength and energy. Over 4,000,000 people annually are using it. Beware of substitutes. Always insist upon having genuine organic iron—Nuxated Iron—look for the letters N. I. on every tablet. Sold by all druggists.
