that more than 500 persons will be present.

Instead of a separate campaign to raise money for the support of each of its branches of activity, as has been its custom heretofore, the Y. W. C. A. has pooled the amount needed for the support of all of its five centers and will appeal to the public this coming week for the entire sum, totalling \$70,000. The man or woman who contributes to the support of the association this week will not be asked to contribute again for another year. This campaign will make a new policy of innance methods adopted by the association.

The campaign budget includes \$42,200, the difference between the association's income for 1921 and its expenditures; \$4,000 to meet a deficit for current expenses; \$8,000 for equipment installed at Camp Brewster last summer, which made it

C repe de chine for day dresses, smooth-faced cloths of silk, silk and streets. You know that every course panels of divetyne with the new of treatment is prescribed by ex-fullness over the cuff of the long ing cards of every imaginable kind, among the hints that fly hither and thither in the world of fashion. The jumper bodice still remains, but it is anchored pretty securely at the bottom by having a tunic fastened to it at the hip line and is much snugger than its predecessors. Snug, that is, in a new place, towit. just above the natural waist line and below the bust. Of all the original silhouette this makes the most unusual. At first sight the dress thus cut looks amateurish, which effect is enhanced by a nipped-in effect around the armholes. But, properly worn (and that is, this fall, the essential quality of new clothes) the line is very beautiful and flowing. Skirts are much longer than those of the summer and many of

them are weighted or corded to make them snug around the ankles. Sleeves are elbow length or shorter for day wear, short, but distinctly to be observed for evening, and for tailor-made suits and street dresses they are long, often slashed to the elbow and supplemented by mousquetaire gloves of suede or fabric embroidered to match the trimming of the dress. A street dress of very dark red, which has a tinge of amethyst, is richly embroidered in Persian design with threads of dull gold, turquoise blue, Chinese red and black. The sleeves are cut off at the elbow, and turned back with a plain band of white organdie. and the gloves are of black suede, embroidered all the length of the forearm with the Persian design.

The small folded turban of satin, trimmed with a sweeping wisp of osprey, and the shoes and stockings, worn with this dress, were of black, and a peasant cape folded around the shoulders, and reaching to within an inch of the hem of the shirt was of black lined with silk, the color of the dress and embroidered with the same design.

The coats of tailor-made suits are long and slightly flaring and the skirts fit close around the hips, which must not bulge beneath the close swathing of the now almost universal jumper blouse. The collars of tailored coats fit close up around the chin and are

often faced outside with fur, even when this appears nowhere else on it not only cleans the leather, but softens it and at the same time prevents it cracking: One part of best vinegar and two parts of boiled linfetching, and it shows to the very best advantage the new bags, made with very long draw ribbons or metal straps often jewelled, embossed Have Your Silver Made Newly colored satin charmense and inlaid with fine Oriental metal work. These, of course, were never made to be fingered and drawn in and out every time the nose calls for powder puff. They are intended to hang over the forearm smoothly to

be admired, but not touched, like any other work of art.

All the newest evening dresses are of lace, real preferably, but if not. Hospe Co., Music and Art Store,
All the newest evening dresses are of fact. The land pale biscuit vie for Buzza hand-decorated mottoes in with cream and black lace, and these are made up with pale colors, you'll hardly recognize its new beauty as the old and shabby service.
