"Old Man Dollar" Announces That TUESDAY IS HOSIERY DAY

Tuesday will be Hosiery Day at Burgess-Nash Co.—a day which will be long remembered by those who take advantage of the very exceptional offerings made in this advertisement. For we say to you very earnestly that we believe you have not, for several years, been offered such bargains in hosiery as those listed below.

It would be very easy to make this announcement sensational, for there is hosiery among these offerings, which has, before the recent break in the market, sold for twice—yes, even three times the price at which it is offered Tuesday.

There is hosiery for everyone in the family—hosiery for men, for women and children. There is silk hosiery, lisle hosiery, fiber silk hosiery, cotton hosiery, wool hosiery—hosiery of almost every kind and description, in black, white and colors.

While there are generous quantities of every number, we cannot guarantee quantities to last for any definite time, as we are convinced that buying will be unusually heavy from the time the store opens until the closing bell rings.

Therefore, we believe that it will be very wise for you to come early, if you would make sure of getting your share of these exceptional offerings.
