

# Major Base Ball Leagues Broken at Magnates' Meeting

### Will Organize New Circuit of Twelve Teams

Judge K. M. Landis Appointed Chairman of Tribunal Which Will Govern National Game.

Chicago, Nov. 8.—The major base ball leagues today were broken up and a new twelve club league composed of the eight National league clubs and the three from the American league which have sided with them in the plans for reorganization, was announced.

Organization of the new league came after the five American league clubs had refused to reply to an ultimatum issued by the other 11 clubs giving them an hour and a half to join the reorganization.

After organizing the new league the base ball magnates proceeded with the Lasker plan for civilian control of professional base ball and appointed Judge K. M. Landis of Chicago, chairman of the tribunal which will govern the game.

Judge Landis was notified of his appointment by a committee of five members and he told them he would take the matter under advisement and make known his decision within a few days.

The plan for the new league and a new controlling body contain frequent reference to the minor leagues, which are given assurance that they will not be overlooked in administration of the games and that their interests will not be invaded in selecting the 12th member of the new league.

Judge Landis, if he accepts the position will be the supreme dictator of all leagues joining the plan and will receive a salary of \$50,000 a year.

Second and third members of the tribunal will be appointed later and one of them will be chosen by the minor leagues. Representatives of the new league left tonight for Kansas City where the National Association of Minor leagues met tomorrow to present the proposition to them.

The minor league members would serve for six years, while Judge Landis would be given a term for seven years, according to a statement made after the meeting by the club owners.

### Uvick of South High May Be Out of Game With Commerce Nov. 18

The South High visitors of city football championship received a severe blow yesterday, when it was announced that Captain Uvick will probably be out of the game with Commerce because of injuries received in the Columbus game.

Swearington and Shainholtz will be out of the game against Council Bluffs next Saturday, and possibly the Commerce game.

Although the players are favorites over the Bluffs fans, they will have a job on their hands with Uvick out of the lineup. Ackerman, 114-pound quartet will take Uvick's place at half, while Sacks and Mays will occupy the end and tackle position, respectively.

## "Georgia Peach" a Good Shot

Base ball is not only the profession that Ty Cobb, star outfielder of the Detroit Tigers has mastered, Cobb is enjoying a vacation hunting trip in California. ## New York National and American League Clubs to Be Well Managed

### Hughie Jennings Will Be Great Help to McGraw, While Ed Barrow Will Handle the Reins With Miller Huggins For Yankees.

New York, Nov. 8.—The Giants and Yankees are going to be well managed next season. At least they ought to be.

With two veteran major league pilots at the head of each team the New York Nationals and their rival American league "bunkies" at the Polo grounds are setting a precedent in a managerial way for though many major league clubs have coaches who either have been managers or are experienced enough to qualify, 1921 will mark the first time in base ball history that so many high-salaried field generals have been signed by two clubs.

John McGraw, as vice president and manager of the Giants, will have the veteran Hugh Jennings as his first lieutenant. McGraw has several times been on the verge of retiring from the active management of the team, according to the wags, but once a pennant race gets hot it would be just as hard to keep McGraw out of there as it would be to keep a case band silent.

McGraw and Jennings are old teammates. They played together on the old Baltimore Orioles and were roomies during their playing days. They have been friends ever since, and it is almost a foregone conclusion that they will "get along."

There is an old saying—the one about the cooks and the broth—but the Giants should be well managed regardless.

The Yanks, with Miller Huggins and Ed Barrow, to handle the reins, were the 1921. Barrow was signed as business manager of the team the same day that Huggins autographed his 1921 contract and, though Bar-

row's duties are supposed to be largely confined to the business end of the club, it is almost certain that he will lend Huggins his assistance in handling the team on the field and especially the players.

### Barrow Big Asset

Huggins, because of ill health, has often found himself unequal of curbing his players. With Barrows at his elbow he will find the task much easier, for Barrow is a base ball man of the driving caliber, as any player who has been under his management will testify.

Barrow's success with the Red Sox has proven his qualities as a manager. Huggins, who knows base ball inside out, and Barrow, always ready for any emergency, should be able to drive the Yanks at breakneck speed.

The value of an assistant manager or a coach is attested to by the fact that seven American league and five National league clubs have adopted the system of carrying them. The Yankees have Charley O'Leary, in addition to Barrow. The Browns have Lee Fohl; the Indians, McAllister; the Red Sox, Eddie Holly; the Athletics, Danny Murphy; the Senators, George McBride, and the Tigers, Jack Coombs.

In the National league the Giants have Hughie Jennings; the Braves, Oscar Duguey; the Cubs, Cozy Dolan; the Cardinals, Joe Suggen; and Carl Lundgren, and the Pirates, Bill McKechnie. Not all of the men have come to the end of their careers as players, but now and then break into a game. Others are men who have grown gray and wrinkled in the game which they began to play before most of the present crop of players were born.

### High School Aquatic Meet Will Be Held at Athletic Club Soon

The first big splash of a series of five swimming meets to be held by the Omaha Athletic club, will take place at 8:30 p. m. Thursday, November 18, in the club natatorium.

Nebraska high school relay events will be one of the features of the evening's aquatic program, according to Pete Wendell, director of swimming at the club, who is in charge of the meet. Teams have been entered from Central, Creighton, Lincoln and Beatrice. Three other state high teams are expected to enter.

In connection with the school relays Wendell will have a number of other attractions. A 100-yard handicap swim will be staged.

Wendell has divided his swimmers with his original system of class graduation. The men are in the "White" and "Shark" classes; the boys, "Tadpole" and "Frog," and the ladies are known as "Mermaids." This system is developing fast swimmers.

Fifteen of the club's best "Mermaids" will enter the 25-yard freestyle swim. Fancy and high diving "stunts" will also be held, along with the water polo match between the first and second teams of the club.

## Buckeyes Have Good Chance for Big Ten Title

### Saturday Victory Puts Ohio in Lead—Illinois Eleven Must Defeat Wisconsin to Get Championship.

By WALTER ECKERSALL.  
Chicago Tribune—Ohio Bee Leased Wire.

Chicago, Nov. 7.—Victories of Illinois and Ohio State over Chicago and Michigan, respectively, in last Saturday's leading western football games have placed the Buckeyes in a commanding position to win the conference title, while Coach Zuppke's eleven must defeat Wisconsin next Saturday at Madison to meet Ohio at Urbana on November 20 for the championship.

Illinois and Ohio were compelled to play the best they knew to win from their fighting opponents. The Maroons played a great defensive game, while Michigan gave every inch of ground in the second division.

Ohio's strength to a 3 to 0 score. Chicago played a defensive game against Stagg. In fact it was all that Coach Stagg could do. His best ground-gain backs were sent out of the fray with injuries, while the substitutes were unable to carry out his plans of attack. The Maroons fought with dogged determination from start to finish, and are deserving of credit for holding a team of Illinois' strength to a 3 to 0 score.

### Michigan Might Have Tied

If Steteket had used a little more care in seeing that his defense was properly adjusted before he punted, Michigan might have earned a tie with Ohio State. Before this kick was blocked Captain Huffman's elbow now and then came close to blocking others.

As expected, Minnesota gave Wisconsin a battle. The Badgers emerged from the conflict on the long end of a 3 to 0 score.

Iowa displayed a flash of the form shown early in the season when Indiana was defeated, by taking Northwestern into camp, 20 to 0. Iowa will clash with Minnesota next Saturday at Iowa City in the big home struggle.

Notre Dame further advanced its claim to western championship consideration by winning from Purdue, 28 to 0. Coach Rockne's eleven will meet Indiana next Saturday at Indianapolis and a victory will make the team champion of the Hoosier state.

### Nebraska Game a Success

Nebraska did admirably well to hold Penn State to a 20 to 0 score. The eastern invasion should be considered a success because Rutgers was decisively beaten and Penn State held to one score for three periods.

Oklahoma annexed the Missouri Valley conference title by winning from Kansas, 21 to 9. University of California won the Pacific coast title by winning from Washington state, 49 to 0.

"Since I began taking Tanlac two months ago I have improved so much that I feel like I had been given a new lease on life," said L. O. Adkins, a well known retired farmer, living at 3015 Ninth St., Lincoln, Neb., recently.

"I am seventy-one years old, and a medicine that can do for a man of my age what Tanlac has done for me is certainly worth recommending. For six years before I took Tanlac my appetite was very poor and my stomach was all out of order. After every meal I suffered from sour gas, burning sensations and such shortness of breath I couldn't walk even a short distance without feeling completely exhausted.

"At first I was so dizzy I could hardly stand up and I was very nervous and never slept well. I was frequently confined to the house for a week or ten days at a time. "But I had not finished the first bottle of Tanlac before my appetite picked up, and now I just feel like a new man. I never have any trouble with my stomach, eat heartily and sleep fine. I work every day in my garden and feel wonderfully well for a man as far along in life as I am. After seeing what it has done for me, my three sons have all taken Tanlac with excellent results. ### Important Games Scheduled to Be Played This Week in Nebraska Collegiate Conference—University of Omaha Plays Here Friday.

University of Omaha vs. Wayne State Normal at Omaha.  
Hastings vs. Midland at Hastings.  
York vs. Grand Island at York.  
Doane vs. Peru State Normal at Peru.  
Cotner vs. Kearney at Kearney.

Very little change in the conference table, marked the play in the state collegiate circles during last week. The four leading teams went through the week's grind without a hitch, winning handily from opponents in the second division.

Omaha and Grand Island did not play due to cancellation of games, this week will probably be directed to the University of Omaha-Wayne State Normal game on the Maroons' part. This will be the first conference game for the Normalites and little is known of its ability, although Wayne scored a win over the Western Union college team at Le Mars, Ia., early in the season and held the Iowa State Teachers' college team to a 7 to 7 game. Wayne's last week due to a heavy snowstorm. The Normal game will mark the last conference battle on the local schedule and if Omaha is able to pull through with a win it will have a direct claim to the conference title, having won all four games.

but had obtained a slight edge in a number of games and so were able to keep to the front.

The Nebraska Wesleyan team ran true to form and routed the Cotner Bulldogs, 41 to 0. The Bulldogs seemed to have slumped during the week, as they did not come up to expectations. This was the second conference win of the season for the Coyotes and the Yellow and Brown by its overwhelming victories over Peru and Cotner, is entitled to a good ranking in conference circles.

Doane kept its record clean by defeating the Midland university clan in a hard-fought game. It was the third victory for the Congregationists, which have previously defeated Hastings and Cotner.

### Peru Hits Slump

The Peru team is suffering a slump. The pedagogues failed to re-claim the package handed them by Wesleyan the preceding Friday and last week Hastings defeated the Normalites, 28 to 0.

Nebraska Central distinguished itself Friday in the game with York collegians, even if the last year's champs won the long end of the score. Last season the Quakers failed to register a point and in the first three games this season have scored but three tallies. Central appears to have recovered from the overwhelming defeat at the hands of the Omaha eleven earlier in the season.

### Announcement Made Following Return of Team From East—May Remain Out Of Conference.

Lincoln, Neb., Nov. 8.—(Special.)—The University of Nebraska foot ball eleven may tackle Princeton next fall. This announcement was made here today by Athletic Director E. H. It is very doubtful whether Nebraska will re-enter the Missouri Valley conference this year, according to Mr. Luehring. The team arrived in Lincoln this morning in good condition. Members of the squad, although pleased with the trip, could not be convinced that Penn State had the better football team. The Cornhuskers claim the State College, Pennsylvania

## Power and Economy in PIERCE-ARROW 2-ton, 3½-ton, 5-ton Dual Valve Trucks

Pulling Power—equal to any demand  
Gasoline Economy—more miles per gallon  
Accessibility—for quick economical repairs

### TIME-SAVING is a main objective of Pierce-Arrow designing—saving of running time, loading time, shop time—every time-expenditure which delays the truck and keeps it from earning money.

ADEQUATE power assures superiority to all road obstacles—hills or rough going, mud-holes or snow blockades. Dual Valves increase power by enlarging the valve area admitting fuller, purer gas charges. Two sparks assure complete combustion and translate all of the gas charge into power. This means surprising gasoline economy. Accessibility of parts reduces repair charges to the minimum.
