Bitulithic Road Contract Killed By Supreme Court

Defeat of Attempt to Foist "Bitulithic" Upon County Is Made Complete by High Court Order.

The defeat of the attempt to foist "bitulithic" paving of Douglas county roads on the people has been made complete. The state supreme court has just handed down a decision upholding the permanent injunction granted by District Judge sears last March against the county commissioners and the Allied Con-tractors, Inc., probibiting them from entering a contract for "bitulithic"

composition brick. It was in June, 1919, that the people voted \$3,000,000 bords to pave county roads with brick.

The following February the people were shocked to find that the county commissioners had awarded united countries for the country commissioners had awarded with countries for the countr

initial contracts for paving costing \$870,311, but that only \$320,255 of this was for brick, the rest being for Worker as Bank Agent.

Mrs. Harding Gets 200-Pound Fish: **Hubby Gets Minnow of 80 Pounds**

By PHIL KINSLEY.

The shouter was Fred C. Hale,

choice: Can a woman weighing 125 Thirage Tribune-Omaha Bee Leased Wire. pounds pull in a tarpon that seeme Point Isabel, Tex., Nov. 11 - to weigh a ton? Common sense being here was considerable excitement on the sand pits two miles distant and passed the rod to Senator Hale from this point at noon Wednesday, and sank back upon the seat of the when Mrs. Watren G. Harding boat, breathless and shaking. It was caught a 200-pound tarpon. Senator up to the senator from Maine, and Harding's political manager, Harry Daugherty, and Malcom Jennings of Columbus, one of the senator's play-Werf Reid, Hamburg, Ia., mer-chant, relented Wednesday and promised to give his daughter, dent-elect over his first tarpon. As tarpons go it is not so much to gloat over. It was only four feet and a half leng and did not weigh 80 pounds, but it was Harding's first, the victim of his patience and his ardor for a new sport. He had been out since early morning, and the tarpon rolled over on one side. Mexicans leaped out into the surf and agaffed the fish. Every body cheered and Senator Harding ran forward to shake hands with his wife as well as the Mexicans, making out since early morning, and the tarpon rolled over on one side. Mexicans leaped out into the surf and a half miles east of here at 7:45 a. m. today, when it struck a broken rail. Six or for a new sport, the had been out since early morning, and the tarpon rolled over on one side. Mexicans leaped out into the surf and a half miles east of here at 7:45 a. m. today, when it struck a broken rail. Six or for a new sport, the had been out since early morning, and the tarpon rolled over on one side. Mexicans leaped out into the surf and a half miles east of here at 7:45 a. m. today, when it struck a broken rail. Six or for a new sport, the had been out since early morning, and the tarpon rolled over on one side. Mexicans leaped out into the surf and a half miles east of here at 7:45 a. m. today, when it struck a broken rail. Six or for a new sport, the had been out since early morning, and the tarpon rolled over on one side. Mexicans leaped out into the surf and said the surf and sai tarpons go it is not so much to gloat battle.

These meditations were suddenly five feet, nine and a half inches long. These meditations were suddenly swept away by a shout from the sea.

> United States senator from Maine His hands were swollen and bruised Large Class of Masons to

> from struggling with a tarpon that weighed more than himself. His companion was Mrs. Harding, who had just discovered that she had at the end of her line what she thought was a whale. For a minute or two, Mrs. Harding was doubtful if she could stay in the boat, for the pull of a 200-pound tarpon is only a little less than the drag of a submarine. For the group upon the beach it was good as a play. Senator Harding forgot his own moribund tarpon and excitedly ran up and down the sand bar shouting: "Hold on, duch-ess, stick to it, don't lose him!"

strong in her, she knew when to quit the gallery on the beach shouted snappy advice, Harding leading the the beach the tarpon rolled over on He estimated that it will run well up to 200 pounds.

nnouncement

Under our new schedule we propose to guarantee the price of every new Piano and Phonograph in our Omaha and Norfolk stores.

FOR SIX MONTHS

From November First, 1920

Should any of the eleven factories we represent further reduce the wholesale price between now and May 1st, 1921, we will pass it on to our customers and refund in cash or credit the contract (as the case may be) to every purchaser of such an instrument.

=THUS:=

You get your Piano, Phonograph or Player now. You use and enjoy it for six months. You purchase here for Xmas, without worry of falling prices in January. You get here a written guarantee on both price and quality.

If Prices Drop After Xmas "You Should Worry"

We Absolutely Guarantee You Against Possible Loss

Ours is an open, above board, fair and square proposition, and we are in a position to see it through. We don't resort to contests, piano clubs. etc., or offer bait in the form of cheap piano lamps, scarfs, silk shades, sheet music or knicknacks to obscure the inflated price of shoddy, unknown Pianos or machines.

If you are interested in a real instrument of quality that you have the right to expect to give real service for 20 to 30 years, let us figure with

you on a PIANO such as Kurtzmann Weber Geo. Steck Clarendon Conover A Genuine Sonora or Vocalion Phonograph or a Steinway Duo Art Reproducing Piano.

Remember-Our Prices Guaranteed Lowest in the U.S. and
