

## Omaha to Report Conditions to Senate Mission

Committee on Reconstruction And Production Will Hold Hearing in City Hall; 18 Men Will Speak.

Eighteen Omaha business men, representing practically every industry in the city, will deliver reports on economic, industrial and building conditions when the United States senate committee on reconstruction and production convenes for an all-day session in the council chamber of the city hall at 9:30 this morning.

The committee consists of William M. Calder, New York, chairman; William S. Kenyon, Iowa; Edward J. Gay, Louisiana; Walter E. Edge, New Jersey; and Josiah O. Wolcott, Delaware.

It has held sessions in New York, Chicago and Des Moines, and following the session here will proceed to Denver, Kansas City, St. Louis, New Orleans and Birmingham.

### Housing Big Problem

Particular stress will be laid on the housing situation here. The committee will endeavor to secure data on the influence of transportation and coal on buildings, conditions relative to the supply of money for house building and general construction, effect of taxation on construction, advantages or disadvantages of a system of long term banking, and the efficiency and productiveness of labor.

J. M. Gillan is secretary and Frank H. Myers is chairman of the special Chamber of Commerce committee which has arranged for the reports to the committee.

Following are the business men who are to make reports, and their subjects:

## Rome Papers Satisfied With Adriatic Plan

Rome, Nov. 12.—The newspapers of Rome agree generally that a victory has been gained by Italian diplomacy in the settlement of the dispute between Italy and Yugoslavia. The organs of the nationalists and the newspapers voicing the sentiments of the right party in Parliament, however, express a certain amount of discontent and demand a more radical solution of the controversy. The Popolo Romano says that important concessions were made to Serbia concerning the Albanian question.

An immense majority of the people of the country hail with great joy the definite conclusion of peace two years after the end of the war.

### Woman Candidate Spends \$25 for Candy During Race

Boston, Nov. 12.—Miss Alice E. Cram, campaigning as the democratic candidate for state auditor, spent \$25 for candy in furtherance of her appeals to the voters, according to her return of expenses filed with the secretary of state. Her candidacy, which was unsuccessful, cost her \$1,150, she reported.

A Belgian claims to have invented a rotary valve that can be used on any standard automobile engine.

## Officials of League To Offer Wilson the Post of President

Washington, Nov. 12.—Officials high in the executive council of the league of nations are seriously considering offering President Wilson an eminent post, probably that of titular head of the organization, upon his retirement from office, according to information that reached Washington from London today.

When asked about this report today, Secretary of State Colby said he knew nothing about it, and that, anyway, it is a matter entirely for the White House. Officials at the White House stated no word of the movement has as yet reached the president.

The league as now organized, it was pointed out here today, is without an official head, the nearest approach to such an office being Sir Eric Drummond, the secretary, who has offices in London and who can hardly be regarded as a powerful figure in world affairs.

## Wallace Confers Honor.

Paris, Nov. 12.—Hugh C. Wallace, American ambassador to France, without special ceremony, conferred the distinguished service medal today on Rear Admiral Thomas P. Magruder, naval attaché to the American embassy here, and Capt. C. D. Stearns and the navy cross on Capt. Z. H. Madison.

## Atlantic and Pacific Fleets to Visit West Coast South America

New York, Nov. 12.—The Atlantic and Pacific fleets of the United States navy will make a joint cruise to the west coast of South America next February.

After making a rendezvous at Balboa, on the Panama canal, the warships will cruise together to Callao, Peru, where the Atlantic fleet will pause for a visit. The Pacific fleet will continue to Valparaiso, Chile.

Returning to Balboa, February 25, the Atlantic and Pacific fleets will compete in the annual inter-fleet athletic contests before parting.

These announcements were made here from the Pennsylvania, flagship of the Atlantic fleet, which entered its home base, ending its sea activities for 1920.

## Czecho-Slovak Government Suffers Defeat in Diet

Prague, Czecho-Slovakia, Nov. 12.—The government was defeated in the Diet yesterday when the German party's amendment to the state employees' relief bill was adopted, and today, it was said, the cabinet was considering submitting its resignation. The amendment, in the view of the cabinet, would add 2,000,000,000 crowns to the government's expenses.
