steam from the spout, well—that carries the wishes of the tea drinkers to the ears of the gods that grant them. An unwritten law is that the tea room must be scrupulously clean as becomes the "abode of fancy." The simplicity, almost bareness of the room, leaves each guest free to furnish it, and to people it as fancy dictates during the mystic silence of the tea drinking.

Tea drinking is one of the homiest and most intimate of social functions. We Americans watched our English cousins enjoying the fad, as we called it, long before we adopted the custom. So-called tea rooms have never captured the tea spirit, which only presides over the
