Kansas Rallies in Last Half and Holds Cornhuskers to Tie

Spectacular Forward Passing by Mandeville and Londberg Turns Trick Against Nebraska Eleven

Lawrence, Kan., Nov. 13.—Outplayed in every department of the game in the first half, the University of Kansas foot ball team made a sensational rally in the last half and battled the University of Nebraska to a 20-to-20 tie this aft-

Spectacular forward passing by Mandeville and Londberg did the trick. At the outset, both players failed to make a showing. Time after time they tried the aerial attack only to have the stands groan as the play was blocked. In the third period they seemed to find themselves, however, and after the first touchdown it was easy. They passed seemingly at will and for long gains.

government of base ball. Ebbets is a practical club owner.

"I have given much thought to the player question" said Ebbets, "and I have reached the conclusion that, in view of what happened, the major leagues must resort to herote methods to restore the confidence of the base ball public. Peanut politics, petty grievances, professional icalcuay, selfish methods and indifference to the fans' clamor for reforms must be eliminated if the major leagues intend to reorganize the control of the game in a sensible, practical and businessilke manner.

"In rearranging the complexixon of the governing body I am in favor of recognizing the minor leagues and the players, both powerful factors in the game. I have not made up my mind as to the number of men who will be chosen to administer the affairs of the majors and minors, but I am not opposed to the suggestion for the election of two major league man, a player, either active or retired, and an independent chairman, having no financial interest in the sport."
