Princeton Topples Yale in Fast Game

Don Lourie of Peru, Ill., Star Of Tigers' Victory Over Ancient Foe.

Princeton, Nov. 14.-Princeton's foot ball eleven defeated Yale for the second year in succession. In running up a sdore of 20 points, including two touchdowns and two field goals, against nothing for Yale, Don Lourie of Peru, Ili., Mike Callahan, of Lawrence, Mass., and Stanley Keck, of Greensburg, Pa., put themselves in the galaxy of Orange and Black heroes who have contributed sensational feats in defeating an ancient for

buted sensational feats in defeating an ancient foe.

Lourie made the prettiest play of the game just as the first half was coming to an end. Princeton had the ball for a first down, 61 yards away from Yale's goal. Keck dropped back from the line to the kickers position and Lourie lay on the ground in front of him at the 51 yard line as if to hold the ball for a place kick. Keck being particularly place kick, Keck being particularly adept in that respect. Then ensued a surprise. Lourie received the pass perfectly from Capt. Mike Callahan, scrambled to his feet, circled Yale's right wing, dodged, sidestepped and strightarnied and crossed the last white line to the amazement of both the Yale team and the 50,000 specta-

Princeton's cup of joy began to run over before the third period was less than two minutes old. Princeton punted from its own 30-yard line to Yale's 20-yard line where Thorne

The other Princeton score was a field goal by Murrey on the first play on the second period, a drop-kick from the 35-yard line.

Twice Princeton attempted field goals unsuccessfully. A try by Murrey in the first period resulted in the kick being blocked and in the fourth period Keck attempted to place-kick from midfield at an angle, but the ball struck the cross-bar of the goal post and bounded back into the field.

Never Compared With Tiger.

Never Compared With Tiger. Yale never compared with Prince ton except for a flash in the second period when, after advancing the ball down from its own 63-yard line to Princeton's 22-yard line, it found a field goal. Murphy made the attempt standing on his own 30-yard line, but the ball was wide. This advance involved 10 plays in which one short forward pass of five yards and two slices off tackle of eight yards each by the brilliant Kelley. Were features.

Princeton today ended its 1920 foot ball, season in the most suc-

Hawkeyes Romp Away From Minnesota Team

Iowa City, Ia., Nov. 14.—Home-coming day at the University of Iowa was a marked success in the opinion of 12,000 Iowa enthusiasts who saw the Hawkeye foot ball eleven romp away from the Minne-sota team with a 28 to 7 victory

Forward passes, principally from A. Devine to Belding, figured prominently in Iowa's attack, but the name of Locke is written largely in the detail of play, for that plunging fullback punctured the Gopher line, or skirted the ends for decisive gains repeatedly and also counted all four touchdowns for his team.

Minnesota's attack after the first period was largely negative although Oss and Eckberg with short line plunges frequently raised the dwind-ling hopes of the Gopher rooters. Captain Arntson and Brown, too, now and then made gains, but the necessary punch was lacking after

the first period. Defensively Iowa proved a handi-cap to Minnesota's backs and also outcharged her line while Minnesota on the defense seemed lacking in many pinches, although at one time the Gophers held Iowa for four straight downs within a yard of the Minnesota goal. Oss again proved a tower of strength on the defense
