Rabbi Cohn Endorses

Drive of Y. W. C. A.

Rabbi Frederick Cohn issued the following endorsement of the \$70,000 budget campaign of the Young Women's Christian association yesterday:

"I am glad to give my hearty endorsement to the Y. W. C. A. campaign to raise \$70,000, now being conducted in this city. Whereas it is true that the association is conducted under Christian auspices, it is broadly religious and its benefits are confined to no particular sect or denomination. It serves Catholic and Protestant, Jew and Gentile alike in its home for working girls, summer camp and its innumerable other activities, all of which make for the spiritual and moral uplift and welfare of the entire community. It deserves to be considered a public and civic institution and is therefore entitled to and I hope it will receive the liberal support of all our citizens."

Water Board May Go To Law For More Room

The Metropolitan Water board will allow the city council one more "guess" on the proposition of granting to the board additional office space in the city hall for the proposed consolidation of water and gas departments.

A few days ago the water board transmitted to the council a written "demand" for the desired space. The council advised the board, through R. B. Howell, its general manager, that the city hall space in question would be granted for a consideration of \$10,000 a year, the money to be used toward city hall maintenance.

The water board told the city council that the law imposes a duty upon the council to provide "adequate quarters" in the city hall for the uses of the water board.

The water board has been advised by its counsel, J. L. Webster, that the law is on its side. The law may be "called in" to enforce the contention of the water board, according to recent indications.

Commissioner Dan Butler

Favors City Manager Plan

City Commissioner Dan B. Butler declared yesterday that he favors the city manager plan of government. He believes that with a board of directors of about three members to whom the manager would be responsible, and with a consolidation of certain departments, efficiency would be increased and many thousands of dollars saved.

He also declared for a consolidation of the city and county governments.

Sunshine Starts Up Marriage Permit Rush

People watch their step on cloudy days, observed "Cupid" Stubendorf, marriage license clerk at the court house.

"Why, I arrived at work early yesterday morning and didn't do a bit of business till 11 o'clock," he continued. "It was cloudy. When the sun came out at 11 they began to stream in for licenses."

"Funny thing," he mused, opening his license book. "First four people to come in after 11 yesterday were

all named Taylor. Look and see for yourself."

The four Taylors were entered in the following order: Florence M. Taylor and J. Guy Hays of Lincoln, Harry A. Taylor and Pearl Johansen of Omaha, Henry L. Taylor of Omaha and Verna V. Smith of Fremont; Charles F. Taylor and Ida E. Phillips of Council Bluffs.

Escaped an Operation

There is nothing in the world a woman so much fears as a surgical operation. Often they are necessary, but often not; and many have been avoided by the timely use of that good old-fashioned root and herb remedy Lydia E. Pinkham's Vegetable Compound. If you are suffering from some dread ailment peculiar to your sex, why not profit by the experience of these two women whose letters follow?

These Two Women Saved from Operations.

Cedar Rapids, Ia.—"After the birth of my last child I had such painful spells they would unfit me entirely for my housework. I suffered for months and the doctor said that my trouble was organic ulcers and I would have to have an operation. That was an awful thing to me, with a young baby and four other children, so one day I thought of Lydia E. Pinkham's Vegetable Compound and how it had helped me years before and I decided to try it again. I took five bottles of Vegetable Compound and used Lydia E. Pinkham's Sanative Wash and since then I have been a well woman, able to take care of my house and family without any trouble or a day's pain. I am ready and thankful to swear by your medicine any time. I am forty-four years old and have not had a day's illness of any kind for three years."—Mrs. H. KOENIG, 617 Ellis Blvd, Cedar Rapids, Iowa.

Sandusky, Ohio.—"After the birth of my baby I had organic trouble. My doctor said it was caused by too heavy lifting and I would have to have an operation. I would not consent to an operation and let it go for over a year, having my sister do my work for me as I was not able to walk. One day my aunt came to see me and told me about your medicine—said it cured her of the same thing. I took Lydia E. Pinkham's Vegetable Compound and used Lydia E. Pinkham's Sanative Wash and they have cured me. Now I do my own housework, washing and ironing and sewing for my family and also do sewing for other people. I still take a bottle of Vegetable Compound every spring for a tonic. I recommend your medicine to others who have troubles similar to mine and you can use my letter if you wish."—Mrs. PAUL PAPERFUSE, 1325 Stone St., Sandusky, Ohio.
