

Dinner to Mark "Y" Drive Close

Final Report of \$70,000 Budget Campaign to Be Made Tonight.

The residents of Omaha have but one more day in which to contribute to the \$70,000 budget campaign of the Young Women's Christian association, before the formal close, scheduled for tonight with a dinner for team workers and persons interested in the association. The affair will be in the nature of a Thanksgiving offering.

While no official report has been received since last Friday, when the total was \$50,297.11, members of the business and professional women's division and women's teams have been hard at work, and the results of their labor will be disclosed tonight when they make their final report.

Dr. Frank Smith, pastor of the First Central Congregational church, will be one of the speakers at tonight's dinner. Mayor Smith has also been invited to address the assembly.

At tonight's dinner tables will be reserved for the business girls of the city, who have played such a prominent part in the campaign for representatives of the negro division, who have raised more than \$2,000, and for members of the women's teams.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute.

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. These little olive-colored tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel.

The pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong purgatives. It is best not to take calomel. Let Dr. Edwards' Olive Tablets take its place.

Headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lumpy" and "heavy." They "clear" clouded brain and "keep up" the spirits. 15c and 30c.
