

Many Immigrants Go to California

French, Italians and Greeks Find Opportunities in Vineyards of Western Coast.

Chicago, Nov. 23.—Large numbers of immigrants from Europe are going to California, according to W. J. Black, passenger traffic manager of the Santa Fe system. He said they are mostly aliens who returned to Europe to fight for their native countries.

"The California-bound immigrants are chiefly French, Italians and Greeks, who are very good agriculturists and find in the vineyards and orchards of California, the best opportunity for their abilities," Mr. Black said.

"Now that the war is over, most of them are coming back and they are furnishing California with the largest stream of immigration I think it has ever had. This has been going on some six months and increasing slowly. I believe they average 600 to 750 a month."

The immigrant trains that used to be run to Chicago before the war have not been resumed, Mr. Black said. One reason, he said, was that there were not enough immigrants to justify them, and another reason was that the Pullman tourist car was taking their place.

From information gathered from railroads here it does not appear that many immigrants coming west are being considered by roads. F. W. Halligan, assistant to the supervisor of agriculture of the Chicago, Milwaukee and St. Paul railroad, reported, for assisting immigrants with funds to locate on favorable lands in the northwest. It requires some money, however, for the immigrant to establish himself on his own land, and the observation at several railroads is that as a general thing immigrants arriving here are no so "overly burdened."

Indian Votes Thrown Out in North Carolina Election

Asheville, N. C., Nov. 23.—Controversy over votes cast by Indians in Cherokee county, which has raged since the election, was ended with the exception of possible court action by the county board of commissioners throwing out all Indian votes.

The action had the effect of electing all democratic candidates with two exceptions. The republican county organization said the matter would be carried to the courts.
