BIG EATERS GET KIDNEY TROUBLE

Take Salts at first sign of Bladder irritation or Backache.

The American men and women nust guard constantly against Kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid, which the kidneys strive to filter out. They weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead, your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night, you suffer with sick headache or dizzy, nervous spells, acid stomach or you have theumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive, cannot inture, makes a delightful efferturement.

ure, makes a delightful effervescent lithia-water beverage and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.
