Nebraska Leaders in Patriotic Societies Discuss Plans for Bringing Big Encampment to Nebraska.

Lincoln, Dec. 2.—(Special.)—L. D. Richards of Fremont, Capt. A. M. Trimble of Lincoln and Col. J. H. Presson of Omaha, department commander of the G. A. R., held a conference today with Acting Governor Pelham A. Byrrows, commander-in-chief of the Sons of Veterans, to discuss the possibility of obtaining the next encampment of the Grand Army, Sons of Veterans and affiliated societies at Omaha next summer.

It is understood that Omaha will issue an invitation to the organization to meet in the Nebraska metropolis and it was for the purpose of obtaining the co-operation of the department commander of the G. A. R. and the commander-in-chief of the Sons of Veterans that Captain Trimble and Mr. Richards visited the state house.

The annual gatherings of the patriotic societies usually bring together around 100,000 people and it is a big advertisement for a city to entertain the societies in their annual gatherings, as the railroads offer such an attractive reduction in rates that it brings visitors from nearly every state in the union.

It is understood that St. Louis and Milwaukee are also making plans for extending an invitation for the next encampment to meet in those cities.

Gregory, S. D., Dec. 2.—(Special Telegram.)—The bootleggers of Gregory county have suffered serious reverses following several arrests by Wood Smith of Mitchell, state deputy sheriff.

At the trial held in Burke, Ivan Swartz, a farmer living south of Herrick, was fined \$250 and given 30 days in jail on the charge of selling intoxicating liquor. Swartz has been under surveillance for weeks. A warrant for his arrest has been in the hands of the officers for several days, but they were unable to locate him until he telephoned in to the sheriff, declaring his willingness to give himself up.

Chicago, Dec. 2.—J. M. Modra, according to the police, said the high cost of living caused him to take money from the bank, that he received a salary of \$240 a month, which, he said, was not enough to support his wife and two children, and that he never tasted liquor, smoked, gambled or went with women.

### 17 Alibi Witnesses For Alleged Robbers Fail to Reach Lincoln

Lincoln, Dec. 2.—(Special.)—The 17 alibi witnesses who were coming from St. Paul, Minn., to testify to the good citizenship of the three alleged bank robbers held in the Omaha jail on a charge of robbing a bank in Superior, Wis., have not yet put in an appearance.

In a telephone message yesterday the acting governor was assured by an attorney in St. Paul that they were on their way. The attorney was chagrined to learn that the acting governor had got tired of waiting on the slow-moving lawyers, who had had five days to get ready for the hearing, and had decided to send the men back to Superior.

### Cured His RUPTURE

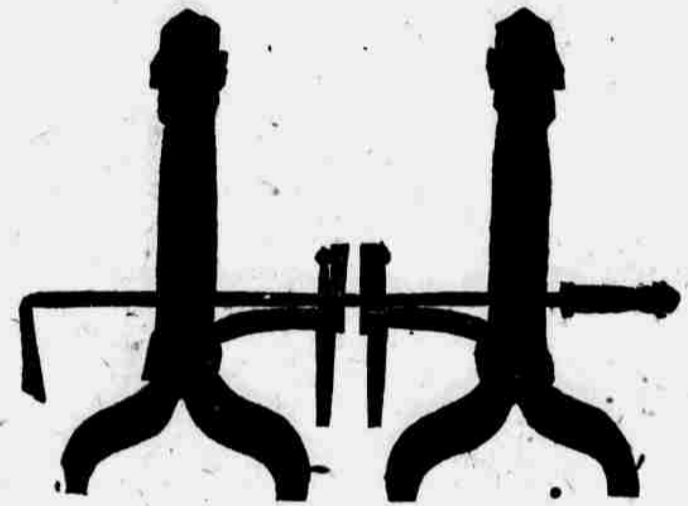

I was badly ruptured while lifting a trunk several years ago. Doctors said my only hope of cure was an operation. Trusses did me no good. Finally I got hold of something that quickly and completely cured me. Years have passed and the rupture has never returned, although I am doing hard work as a carpenter. There was no operation, no lost time, no trouble. I have nothing to sell, but will give full information about how you may find a complete cure without operation, if you write to me, Eugene M. Pullen, Carpenter, 114 G Marcellus Avenue, Manhattan, N. Y. Better cut out this notice and show it to any others who are ruptured—you may save a life or at least stop the misery of rupture and the worry and danger of an operation.
