

3 Tots Joyful as They Get Shoes

Necessities to You Are Luxuries to Kiddies Shod by Bee Fund.

"My children are very happy now and I believe we will get through the winter all right," said a little, toil-worn mother to the teacher who had taken three little "ragamuffins" to the shoe store and had them fitted with shoes to be paid for from The Bee's Free Shoe Fund.

The faces of the three ragged youngsters, aged about 3, 6 and 8, shone with happiness. It would have done your heart good to see them.

Luxuries to Them.
Shoes! Necessities to you and yours, but luxuries to these poor little waifs.

If you can help out, send a contribution to the fund. For there is a waiting list of boys and girls of the very poor waiting for the great joy of getting the much-needed shoes.

Send It to The Bee.

Woman Asks Divorce After 46 Years of Wedded Life

After being the wife of John Barker for 46 years, Mrs. Mary Barker sued for divorce in district court yesterday. They were wedded June 17, 1874, and all went well for the first 25 years or so. Then the husband "took to drink," according to the petition, and his wife left him and went to work to rear and support their five children. Later John was admitted to the Douglas county poor farm, where he remains to this day. Mrs. Barker brought up the five children, supporting them by hard toil. She is asking the divorce now to clear the title to the little property which she has acquired.
