

300 Bankers of North Dakota at Meet Optimistic

Resolutions Adopted Declare "Financial Situation Essentially Sound" Despite Closing of 23 Banks.

Bismarck, N. D., Dec. 8.—Three hundred bankers of the state meeting here to discuss the financial situation in North Dakota, adopted resolutions drafted by a special investigating committee, which found the "financial situation essentially sound" and recommended steps for improving conditions which have resulted in the closing of 23 state and one national bank in less than a month.

"The assets of the state's banks are more than sufficient to meet any legitimate demand upon them," said the resolutions. "Temporary embarrassments only have arisen through dwindling reserves on account of the low prices of agricultural commodities, and due almost wholly to the nation-wide conditions accompanying the period of reconstruction."

The resolutions recommended the depositing by each bank of \$500 to \$1,000 in a special fund to be placed at the disposal of the state bank examiner to aid banks which have been closed. Recommendations also were made that all creditors avoid unnecessary foreclosure of mortgages.

The bankers also endorsed the offering for sale by the industrial commission of bonds amounting to \$5,200,000 which would be used to extend the operations of the banks of North Dakota in making farm loans and in financing state projects such as the mill and elevator and hogge builders' associations.

College Discipline At Annapolis Again In State of Turmoil

Annapolis, Dec. 8.—Discipline at St. John college again is in a state of turmoil, it became known today. Hazing and other breaches of regulations have been uncovered, despite the pledge to which the students subscribed upon their return a few weeks ago following a general "walk out" of the cadet corps, because of alleged "grievances" toward the board of governors and visitors.

Dr. J. B. Ripper, acting president of the college, admitted the seriousness of the situation, but said no formal announcement would be made before tomorrow. The faculty has been in almost continuous session in an "effort to ferret out the offenders."

The story had it that a freshman was ordered to proceed to the French memorial monument and there deliver a speech after which there was a "slating bee."

Yeggs Rifle Bank, Safe Is Untouched

Fremont, Dec. 8.—(Special)—Yeggmens blew the door of the vault in the State bank of Yeggs some time last night and looted private safety deposit boxes of an unestimated amount of valuables.

The safe was untouched. The robbery was "discovered" this morning by Cashier George Shonka.

The yeggmens were frightened away by young people, returning home from a dance at an early hour this morning before they had a chance to complete the robbery. It is believed, for \$3,000 in the vault was undisturbed.

Program to Aid Farmers Strikes Snag in Senate

Washington, D. C., Dec. 8.—The program of the senators from the south and west for the relief of the farmers struck a snag in the senate today and indications are it will have some rough traveling before it passes both houses.

Shortly after the senate convened, Senator Gronna of North Dakota, on behalf of the agricultural committee, presented the resolution directing the secretary of the treasury to revive the war finance corporation, and calling upon the federal reserve board to permit more liberal extension of credit to the farmers. Senator Gronna asked for immediate consideration of the measure. Senator Lodge, the republican leader, objected.

Mr. Lodge told the senate that mills were closing down in New England and thousands of men were being thrown out of work because of the national bonded indebtedness would produce serious consequences. Senator Norris of Nebraska, who framed the resolution, assured Senator Frelinghuysen that the measure did not contemplate an appropriation by congress.

Rev. O. W. Carrell of Central City is the state chairman of the Friends' organization.

Rev. Frank G. Smith of Omaha, state chairman of the church federation, has called a meeting of Omaha ministers for Friday of this week to discuss the movement and to decide upon the best way for the ministers to act. All ministers of every denomination in the state, regardless of creed, are to be asked to devote their sermons on December 19, to the relief work.

The state organization is being backed up by the national organization very closely and Thursday afternoon Rev. Roy B. Young Farmer Is Killed When Auto Leaps From Road

Youth With Him Is Pinned All Night Beneath Dead Body Under Automobile But Is Unhurt.

Auburn, Neb., Dec. 8.—(Special)—Bud Walters, young farmer living north of here, was instantly killed, and Alton Sayres, 16, escaped injury but was pinned beneath Walters' body and their automobile all night, when the car in which they were driving home from Auburn at 10:30 last night struck a bridge three and one-half miles north of the city, plunged over a 30-foot embankment, and turned turtle.

The accident was not discovered until 9 this morning. Sayres had been lying all night in a stream of mud and water, beneath the dead body of his friend and the upturned car, but was unharmed. He was numb from the cold and exposure, however. He was brought here, Sayres said he and Walters were driving about 30 miles an hour along the road when the lights on their car, which is a heavy six-cylinder type, suddenly went out.

Before the brakes could stop the machine, he said, it had struck the bridge and hurtled over the embankment. Young Sayres was still dazed from his horrible experience.
