1921 Husker Grid Team to Play Pitt Nov. 5

Scheduling of Game With Easterners May Mean Cornhuskers Will Make Three Trips During Season.

Lincoln, Neb., Dec. 13.—(Special Telegram.) — Nebraska university will invade the east again next fall for a game with Glen Warner's famous Pittsburgh eleven on Novem ber 5. 1921, Athletic Director F. W. Luchring amounced today. -

The telegram of acceptance of the date from K. E. Davis, graduate manager of athletics at Pittsburgh, stated that an effort was being made to arrange the "Pitt" schedule so that Warner's team could play in Lincoln in 1922.

The fact that Pittsburgh is considered one of the four strongest teams in the east this year would indicate that Nebraska's performances against Rutgers and Penn State was not scoffed at by eastern foot ball critics.

Closing the date with "Pitt" means that the Cornhuskers may make three trips during the foot ball season next fall, Nebraska will journey to Ames for a game there on the Iowans' homecoming day, November 19. In addition, negotiations are under way which may result in playing either the Notre Dame or Michigan Aggies game away from home.

Athletic authorities here have thought it inadvisable to play more than one game on a single trip because of the fact that such a long time away from the home field results in the men being in poor con-dition for the second battlee.

The Middleweight Titleholder Laurels in Late Battle.

Chleago Tribune-Omaha Bee Leased Wire. New York, Dec, 13.—Johnny Wilson, the middleweight champion, is a coy youngster. It is a little more than a year ago that Mike O'Dowd in a careless moment allowed the southhaw to grap off his title, but since that time Johnny has stayed very much out of the limelight. The Sinn Feiner from St. Paul has been shooting challenges at the Kitogue kid, but John for some reason or other has stayed at a safe distance. The attitude of Johnny, in view of

On the other day Wilson took a chance with a boy named Arthur Robinson and the latter came close to wrecking the champion. If this same Wilson person don't watch out some one of these clucks is going to knock him out.

New York, Dec. 13 .- Base ball nagnates broke all records yesterday when they met and within an hour had approved a national agreement to supplant the one that went by the boards when the National league and three members of the American league bolted this fall.

So speedy was the agreement reached by the envoys of the National and American leagues, that Judge Kenesaw Mountain Landisand believed by every one, he is the high commissioner of base ball from now on if the word of the base ball magnates can be taken-was able to catch the Twentieth Century limited for Chicago. With the two major leagues in accord, it is up to the twenty-seven minor leagues to get on the band wagon. The big base ball chiefs believe they will specedily see the light and sign up. There are some magnates, however, who seem to be inclined to slip a cog in some of the wheels of the machinery, but it is believed there will be a general re-union with all hatchets buried in view of the fact that representatives of the minors were so quick to give
