And the Snowdrift Breaks. Merrily, merrily sound the bells. As o'er the ground we roll. And the snow-drift breaks in silvery flakes. Before our cariole. When wrap'nt in buffalo soft and warm. With mantle and tippet tight. We cheerily cleave the fleecy storm. Or skim in the cold moonlight. —Charles Penno Hoffman.

Problems That Perplex

Answered by BEATRICE FAIRFAX

For Christmas. Dear Miss Fairfax: I have been going with a young man for nearly six months, but I am not engaged to him. What would you advise me to do to give him for a Christmas present? How is my writing?

JUST A GIRL. A fancy calendar, box of homemade sweets or a book which you think might interest him would be appropriate and impersonal gifts. Your writing is not particularly good, but it is very easy to read. You do not finish out many of your letters. That is supposed to indicate that you just start out on any proposition with enthusiasm, you "let up" at the finish. Learn to stick to the end.

The Engaged Girl. Dear Miss Fairfax: I am engaged to a young lady and would like to know whether it is proper for a young man who works in her office and knows that she is engaged, to offer her small attentions, such as candy, etc.

Also, what do you think of this same young man offering this young lady jewelry?

I am not inclined to be narrow minded, but as I am very much in love with my sweetheart, I feel that it is not right for this other chap to be intruding.

ENGAGED. The candy might be offered in all innocence, but there's no particular reason why you shouldn't be left to make the floral and saccharine offerings. The gift of jewelry is inexcusable.

Benson W. C. T. U. Benson W. C. T. U. will meet at the home of Mrs. Edwin Whistler, 2712 North Sixty-fourth street, Tuesday, 2 p. m. Plans will be made for the filling of Christmas baskets for poor families.

Advertisement: How to Make Pine Cough Syrup at Home. Use no equal for prompt results. Takes but a moment to prepare, and saves you about \$1.

Pine is used in nearly all prescriptions and remedies for coughs. The reason is that pine contains several elements that have a remarkable effect in soothing and healing the membranes of the throat and chest.

Fine cough syrups are combinations of pine and syrup. The "syrup" part is usually plain sugar syrup.

To make the best pine cough remedy, take one-half pint of pure, good and tastes very pleasant. Either way, you make a full pint—more than you can buy ready-made for three times the money. It is pure, good and tastes very pleasant.

You can feel this take hold of a cough or cold in a way that means business. The cough may be dry, hoarse and tight, or may be persistently loose from the formation of phlegm. The cause is the same—irritated membranes—and this Pinex and tincture will stop it usually in 24 hours or less. Splendid, too, for bronchial asthma, hoarseness, or any ordinary throat ailment.

Pine is a highly concentrated compound of genuine Norway pine extract, and is famous the world over for its prompt effect upon coughs.

Beware of substitutes. Ask your druggist for "2 1/2 ounces of Pinex" with directions, and don't accept anything else. Guaranteed to give absolute relief, or money refunded.

Be Young In Body, Mind and Looks Despite Your Years. How often you have wished that you could indulge in the strenuous exercise of out door sports with the vigor and enthusiasm of youth! But the end of the week finds you all in—you are tired, listless and lack the energy to go out for a vigorous walk or a round of the links—or any other exercise that requires much physical exertion. Many a man, even in his middle forties, has a vague feeling that he is "getting old"—and right at a time when he should be at his very best physically. And he is growing old, not in the sense that the years are pressing heavily upon him—but in the sense that his vital forces are wasting away faster than Nature replaces the worn out tissues. Thousands—yes millions—of people find themselves in this condition early in life. And there is no excuse for it. You can check that tendency to grow old. You can carry your youth with its joys and enthusiasm into your 70's and 80's. But you must give Nature all the help you can. The best assistance you can find—assistance of a sound, constructive character—is in the use of LYKO The Great General Tonic. It enriches the blood—greatly stimulates heart, liver and kidneys to normal activity—brings back your own, crushed and mental vigor—chases away that tired, worn-out feeling and replaces it with a spirit of buoyancy. LYKO is a distinctive preparation, scientifically composed in its combination of medicinal ingredients, and there's nothing more invigorating, more strengthening, or more rebuilding. Specially beneficial for invalids, convalescents and run-down people of all conditions. Get a bottle from your druggist today—tomorrow you will feel better for it. Sole Manufacturers: Lyko Medicine Co., New York, Kansas City, Mo. For sale by Beaton Drug Co., 15th and Farnam Sts., and all retail druggists.
