

G. A. R. Protests "Firing" Bailiff

District Judge-Elect Stands
"Pat" on Plan to Appoint
New Man to Soft Job.

Protests by U. S. Grant post, Grand Army of the Republic, against the removal of Wesley G. Templeton from the position of bailiff in district court, will not influence L. B. Day, newly elected judge, to retain him, he said yesterday.

Templeton, hearing that Day intends to appoint another man, has been working to retain the position. The G. A. R. post to which he belongs passed a resolution against causing Templeton "to vacate in favor of a man who never served his country."

"Such action," said the resolution, "is unpatriotic and an insult to every loyal citizen and especially to any ex-soldier in any war."

Judge Day said yesterday that he has not decided whom to appoint.

"But I can tell you it won't be Templeton," he said. "Why should I keep him?"

The job of bailiff in the district court pays \$1,400 a year with long vacations and almost nothing to do at any time.

PIMPLY? WELL, DON'T BE
People Notice It. Drive Them
Off with Dr. Edwards'
Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's no sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating. No one who takes Olive Tablets is ever cursed with a "dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. 15c and 30c.
