Clearance Sale of Nineteen-Twenty

Beyond all the low prices quoted in the last few months, beyond all the offers we were able to make by virtue of special purchases, beyond all the reductions we made in our regular stocks—abreast and ahead of the market—beyond all these comes the decisive reductions of the Year-End Clearance Sale.

Throughout this five-day sale it may fairly be said that on all of the merchandise offered, cost and former selling price have been forgotten. The dominant thought in the preparation of this event was to bring our stocks to the lowest level possible by the first of the year.

To go into detail and quote the hundreds and hundreds of items that we are offering during this sale would be next to impossible, for wherever you go in this store, wherever you have a need or want, you will find just the very thing you have been looking for, at the very price you wanted to pay, or, in most instances, at even a lower price than you expected to pay.

Therefore we are quoting below, by way of illustration, only a few items that may in a manner, yet inadequately, illustrate the hundreds upon hundreds of bargains to be found in Brandeis Stores' YEAR-END CLEARANCE SALE OF NINETEEN-TWENTY.
