

### Highway Bodies To Combat Bids For New Paving

#### Representatives Declare Lotting of Contracts Now Would Be "Folly," in View of Declining Prices.

When the board of county commissioners meets Thursday to open bids received on contracts on pavement aggregating 32 miles and involving an expenditure of from \$1,300,000 to \$1,500,000, it will face representatives of various highway associations who have sworn to combat any efforts to put such a huge scheme through at this time.

Representatives of the associations characterize as "folly" any paving program at this time because of the lowering of all material prices and wages.

John Breen, principal attorney among the legal talent retained by the associations, was conferring with County Attorney A. V. Shotwell yesterday relative to the opening of the bids. Mr. Breen led the onslaught against the "bitulithic" paving deal which went down to defeat last spring.

#### Prices Going Down.

"Eternal vigilance seems to be the price of getting common sense expenditure of the \$3,000,000 voted for Douglas county road paving," Mr. Breen said.

"With prices going down on all materials used in road paving, what possible excuse can the county commissioners have for advertising for bids at this time?"

Opposition Promised. "The various clubs and associations who were on the job last spring and who defeated the "bitulithic" program, are just as much alive now and the commissioners will hear from the Thursday," Breen declared.

The resolution to advertise these bids was passed by a vote of 3 to 2. A. D. Compton, Thomas O'Connor and Sophus Neble, democrats, voted for it, while Charles Unitt and Henry McDonald, republicans, voted against it. A week after the bids are to be opened, Commissioner Compton will

retire and his place will be filled by T. F. Stroud, republican, who defeated Compton at the last election. The bids, according to County Attorney Shotwell, were pushed through without the advice of Highway Commissioner Lou Adams or the county attorney.

Men in touch with the situation declare that by waiting prices 20 per cent lower than those prevailing can be had.

#### Bodies Co-operating.

The public highways committee of the Chamber of Commerce is co-operating with a joint committee composed of representatives of the Automobile club, Rotary club, Auto Dealers' association and others to devise ways and means for effecting public improvements during 1921.

It was through the efforts of this joint committee that approval was given a \$3,000,000 bond issue for road improvement work in Douglas county. The committee has exercised the policy of "going slow" during the latter part of the year because of extremely high prices for materials. With some of the material prices already on the decline and others about to come down, the committee is now ready to recommend that contracts for the work be awarded at an early date. Members of the committee express the desire that definite action on the bond building program be taken not later than next spring.

### Crippled Toy Maker Gives His Earnings To Fund for Children

Bent, old and crippled, Hans Anderson, an inmate of the Douglas county poor farm since 1885, yesterday mailed a \$5 bill to G. W. Wattles, chairman of the European Relief council for the aid of starving children of Europe.

Anderson, who makes toys when his rheumatism is not too painful, made \$5 before Christmas by selling his toys to visitors to the home.

In his letter to Wattles, he said: "I have made some money making toys. I read where the kids in Europe were starving. I haven't much but the kids need it worse than I do. It won't save the life of a kid, but it is half enough and maybe somebody will give the rest."

Mr. Wattles said the letter and \$5 bill will be forwarded to Herbert Hoover in New York. Hoover is national director of the campaign.

#### Refuse Permit to Brew Beer for Medicinal Purposes

Milwaukee, Wis., Dec. 27.—A Milwaukee brewery has asked permission to make beer for medicinal purposes, it was said today by Nelson White, chief inspector in the office of Thomas A. Delaney, prohibition director. The request was refused tentatively.

### Suit Over Plane Flight Is Started

#### Aviator Seeks to Make Passenger Pay for Airplane Trip To Grand Island.

The first suit brought in municipal court, involving payment for an airplane flight, is before Judge A. E. Baldwin, in connection with an action filed by A. E. Atkinson against Charles S. Hoyt, rancher of Winton, Neb.

On November 25 Atkinson entered into an agreement with Hoyt to be taken in an airplane from Omaha to Whitman, with another passenger, for a consideration of \$500. R. C. Marshall was the pilot and John Myers was Hoyt's companion.

According to a deposition by Marshall, he was flying at an altitude of 1,000 feet when he observed Hoyt drinking from a bottle, whereupon Myers turned around as if to inform the pilot.

Marshall stated that he was required to land at Osceola and to remain there until the next morning before resuming his flight. The next stop was at Grand Island, where oil was obtained. The next landing was made at Abbott, because of engine trouble.

Atkinson alleges that he fulfilled his contract agreement and that the delay was due to the actions of Hoyt.

Attorney Thomas Lynch, for Hoyt, pleaded partial performance of the contract by Atkinson and offered to pay part of the \$500 for his client.

Judge Baldwin has taken the case under advisement and will announce his decision this morning.

### Omaha Girl Goes to India as Missionary

Miss Selma Anderson left Sunday night for Guntur, India, where she will take up missionary work at the Lutheran mission station school and college there.

Miss Anderson was formerly registrar at the University of Omaha, but the past two years she has been taking preparatory work for her mission duties in New York. She was the guest of honor at a reception at St. Marks Lutheran church before her departure. She will sail from New York Thursday with 11 other missionaries.

### DON'T AGE PREMATURELY

When men age prematurely, lose interest in their work, and life itself; when the golden sands of youth and manhood have run their course before the allotted years have passed; it is time to take an inventory of resources—to regain the health and vigor which have slipped away. We are sending, FREE to men, a valuable book which deals with this subject and which points out to men whose nerves are shattered, a way to rebuild and regain strength and happiness. Write today for this wonderful book. Your name and address on a postcard will do.

### Ten Years Younger Than His Years

Doesn't it make you feel good—cause you to straighten up and feel "cheery"—when someone guesses your age at ten years or so younger than you really are? You look into your mirror smile with satisfaction and say to yourself: "Well, he didn't make such a bad guess, at that."

The point is: You're no older than your vitality.

If a man is strong, vigorous mentally alert, fine and fit at 50 he has a better chance of living up to 60 than a man of 30 who is weak and run-down has of living up to 60. While none of us can stay the years nor stop time, we should all make an heroic effort to successfully resist the effects of time by ever keeping our vitality at par.

When you sense a feeling of slowing down of your physical forces when your stomach, liver, kidneys and other organs show signs of weakness—when you notice a lack of your old time "pep" and "punch"—in other words, when you feel your vitality is on the wane, you should com-

### LYKO

The Great General Tonic

This master body-builder will help you keep young in spirit and mental and physical action, because it will assist Nature in maintaining your vitality at par. It enriches the blood, restores worn-out tissues, soothes fraying and over-wrought nerves, induces sound refreshing sleep, sharpens the appetite, lines up the digestion—in short, will put new life, new vigor and new vim in every fibre of your body.

You will be surprised how much better you'll feel after taking a treatment of LYKO. You are tired and worn out, you are physically fatigued, it's middle-laxative keeps the bowels in fine condition. Get a bottle from your druggist.
