No Matter the Cost—No Matter the Loss

In addition to the special values mentioned above we have gone through our Fur stock with a sweeping thoroughness and lowered prices to the lowest level yet attempted. The skins used are the best quality and added to this every coat and small piece has been fashioned according to the latest mode. Such a combination, together with the attractive prices quoted, must appeal to every woman interested in Furs.

Furs Were Never More Fashionable

and during this Annual Year-End Sale fur values reach economical importance gratifying to all who buy or wear them.
