

**\$100-a-Plate Dinner
For European Relief
Will Be Held Here**

Omaha will have a \$100-a-plate rice and bread dinner next week for the benefit of the European relief, the

receipts of the occasion to go toward alleviating the condition of hungry and starving children. This function will not be an imitation of the New York dinner held Wednesday night, because members of the local committee had this in mind nearly two weeks ago. The event will be fashionable to the extent of attracting those who

are able and willing to pay \$100 for a meal of this kind. The food which will be served will represent typical meals which are being given to European children. The committee reported yesterday total contributions from Nebraska amount to \$18,010.50, of which Douglas county has given \$13,343.13.

**Man Kills Himself
In Presence of Wife**

Edward Tisler, 40, 1822 Corby street, killed himself yesterday noon by firing a shot into his right temple, in the presence of his wife, who was ironing. Tisler snapped the trigger twice before a cartridge was exploded,

according to his stepson, Harvey Watts. Mrs. Tisler told police that her husband was jealous of Harry Hirsch, 2708 Lake street, who was married a month ago. She related that her husband was angry Wednesday when she gave Hirsch a pillow and water set. She also said there had been three

separations during the four months she had been married to Tisler. Hirsch said reports that he had formerly roomed at the Tisler home were untrue, but that his mother was a friend of Mrs. Tisler. He scouted the idea that the man had been jealous of him. Bee want ads are business getters.
