Legislators Disregard Optional C'auses of New Constitutional Amendments in Accepting Recommendations.

Lincoln, Jan. 10.—(Special.)—The Nebraska senate at its opening ses-sion this afternoon disregarded the optional clauses of the new constitutional amendments and approved the report of Senator Norval's rules committee, making no mention of the days or of dispensing with secret

On the contrary, the report required that each bill be read on three separate days before its passage. It was explained by Chairman Norval that the senate could suspend the rule at any time by a majority vote.

Exclusion of Outsiders.

Although the new amended constitution provided that executive sessions.

sions were not required in such instances as ratification of gubernatoral appointments, the report provides for the strictest exclusion of out-siders when a secret session is de-

Any member or employe who di-vulges what transpired behind the closed doors was subject for expul-sion or dismissal, as the case might be, according to provisions of the

The rules committee fixed the hours of daily senate sesisons at 9 a. m. and 2 p. m., which carried over the objections of Senator Dut-ton, who proposed 9:30 and Senator Hoagland, who insisted on 10 in the

Twenty Bills Introduced. On decorum, the rules forbade any member to read a newspaper while the president of the senate or any

nember was speaking.

After the report of the committee on committees had been read and 20 bills introduced, including a measure by Senator C. B. Anderson to completely change the "blue sky" law, the senate adjourned on motion of Senator Bushee until 10 Tuesday

morning.

Before submitting his six code department appointments and two others to the Nebraska senate for ratification, Governor S. R. McKelvie has called on Attorney General Clarence A. Davis to pass upon what, "in the minds of some," appears to be a conflict in the new amended constitution as to whether ratification stitution as to whether ratification must be by all members of the legis-lature—senate and house—or by the

He cites Article IV, Sec. 1 of the constitution providing that "the heads of all executive departments established by law" be ratified by all members of the senate and the house, while Section 10 of the same article provides for only senate ratification for officers established by constitu-tion or created by law "whose ap-

pointment or election is not other-wise by law or herein provided for." An interpretation is possible that are not constitutional officers, with the institution during the year, ac- auction, would not, it was asserted, mentary and secondary schools of
