House Measure Would Eliminate Board of Censors for Movies

Lincoln, Jan. 14. — (Special.) — Twenty-four hours after the child's welfare commission introduced a

movie censorship board bill in the lower house, a bill which is looked upon as an opposition measure was introduced by Representative Gifford of Pawnee and Representative Byrum of Franklin. Under the provisions of the opposition bill there would be no board created to eliminate objectionable films. This bill describes the nature

of films that will be considered objectionable and empowers county attorneys to prosecute movie operators when complaints are filed. A fine with \$50 as the minimum and \$200 as the maximum is provided for violation of the proposed statute. Moving pictures or plays depicting many crimes would be looked upon as violation of the proposed statute.
