### Omaha Amateur Steel Blade Performers Will Stage Semi-Final Events Next Wednesday.

At least 150 competitors will take part in the fourth and final preliminaries of the second ice skating tournament, being conducted under the auspices of the Y. M. C. A. and the park recreation department, at Fontenelle park, Wednesday night, according to officials.

Wednesday night's preliminaries will start at 8 o'clock. Amateur ice skaters who have not yet taken part in the other preliminary races are eligible to enter.

Officials are planning on making the finals for the city championship next Saturday afternoon at Fontenelle park one of the greatest ice skating events ever staged here. The program is being worked by N. I. Weston, physical director of the local Y and Ira Jones, park recreation director. The ice skating contest will start at 3:30 o'clock, followed by skiing and sled contests.

The winners at Hanscom park, Riverview, Miller and Fontenelle park will compete in the finals for the city title. Official records will be established for the city of Omaha and some last time is expected.

Medals will be awarded to the first and second place contestants. It has been announced that in addition to the ice skating tournament, skiing and sled races, fancy skating contests will be held for both men and women. Any fancy skater in the city may compete in this event, without previous trial.

Park Commissioner Falconer has been appointed official referee in the finals.

## Harvard Track Team Not to Go Below Mason-Dixon Line

Cambridge, Mass., Jan. 17.—The Harvard varsity track team, which had planned a southern trip for the spring recess, will not go below the Mason-Dixon line, as a result of action by University of Virginia and the naval academy. To a communication from Major Fred W. Moore, graduate manager of athletics at Harvard, saying that the Crimson team included two athletes of negro blood, both institutions replied that they considered it best under the circumstances that track meets scheduled with Harvard in April should not be held.

**MRS. SYLVIA FOSTER, of Buffalo, N. Y., who says she wishes she could go into every home and tell how Tanlac completely restored her health after she had lost all hope of ever being well again.**

"They had given up all hope of my ever being well again, but thanks to Tanlac, I am feeling as well now as I ever felt. I had time to go to every home and tell every sick person about this grand medicine.

"A year ago last January I had a severe attack of influenza which left me in a terribly weakened condition and my appetite was so poor that I ate little more than enough to keep body and soul together.

"My heart palpitated so dreadfully at times that it seemed like it had stopped altogether and I would think my time had come. I was so weak that I couldn't go up the steps without holding to the railing. It was impossible for me to do any housework, I was so nervous that I couldn't drink my tea or coffee without spilling it.

"My sleep was restless and broken and I would have smothering spells and would just have to get up and go to the window so I could breathe.

"I finally started taking Tanlac on the advice of a friend and before I had finished taking the second bottle my neighbors could tell I was improving right along. Well, it has only taken five bottles to restore my health completely.

"My appetite is just splendid now, my nerves are strong and steady, my housework is a real pleasure and I can sleep like a child at night. In fact, I never felt better in my life than I do now."

The above remarkable statement was made by Mrs. Sylvia Foster, of 206 S. Division street, Buffalo, N. Y., a well-known and highly respected resident of that city.

Tanlac is sold in Omaha at all Sherman & McConnell Drug Company's stores, Harvard Pharmacy and West End Pharmacy. Also in South Omaha and Benson Pharmacy, Benson; George Siert, Florence, Neb.; Saratoga Pharmacy, 24th and Ames, North Omaha, Neb., and the leading druggist in each city and town throughout the state of Nebraska.

## INDOOR SPORTS

### Expect Large Entry At Annual A. B. C.

Buffalo, N. Y., Jan. 17.—(Special.)—Scarcely had the echoes of the first gun in the campaign for entries to the annual tournament of the American Bowling Congress, in Buffalo, February 28 to March 31, died away before it became apparent that the 1921 tournament is destined to be a record breaker in the history of the sport. The most optimistic reports aent entries and general interest are coming in both from national headquarters, National Secretary A. L. Langtry, No. 175 Second street, Milwaukee, Wis., and the tournament city headquarters, No. 501 White building, Buffalo, where John P. Smith, the national president, and J. A. Locke, the local secretary, are busy at work in the interests of the congress.

Indications thus early are that there will be a great and representative entry in this tournament. It is now thought the Buffalo will surely go well ahead of the great entry at Peoria last year, when 900 teams assembled, and that the Bison city will set a mark emblematic of later-day interest which will astonish even the veterans.

There was great agitation in bowling circles and gratification in the ranks of the tournament directors last week, when it became known for the first time in many years the New York bowlers will be represented.

## 1921 High Cage Meet Expected To Set Record

Indications Are That Basket Ball Tourney to Decide Champs Will Be Largest Ever Held.

Lincoln, Jan. 17.—Indications are that this year's state high school basket ball tournament, to be played here March 10, 11 and 12, will be even greater than the one held last year, which was declared the largest ever held in the United States. Approximately 170 high schools of Nebraska sent teams to Lincoln to participate in last year's tournament and winners were determined in eleven different classifications.

Class A and B games and possibly others will be played at the big coliseum at the state fair grounds this year. Other games will be played at the University gymnasium.

A joint ruling of the high school and university athletic officials requires that all teams coming to Lincoln for the tournament be accompanied by an official escort selected by the high school faculty.

Winners of last year's tournament in the various classes follow: Class A, Lincoln; B, Superior; C, Havelock; D, Kimball county; E, Benson; F, Aurora; G, Genoa; I, Milford; J, Teachers' College high school, Lincoln; and K, Courtland.

State high school basket ball tournaments were first started in Nebraska about 10 years ago. At the first tournament approximately 20 teams participated. Since then the number has increased steadily each year.

## Four Games Scheduled At Y. M. C. A. Tonight

Four snappy cage contests are scheduled in the Church league at the Y. M. C. A. tonight. The first, starting at 7:30 o'clock, will be between the M. E. Wops and the Clifton Hill Presbyterians, while contest No. 2 will be put on by the Pearl Methodist Episcopal and the M. E. Baracas. This contest should be the feature event, as both teams are in a tie for second place honors.

The other two games are as follows: Benson M. E. against Lowe Avenue Presbyterians and the Pearl Kops against South Side Presbyterians.

## Matchlet and Gordon To Meet in Roped Arena

## Central Will Play Fremont Cagers

The Central High school basket ball schedule has been revised and one new school added to the list. A game will be played with Fremont during examination week at Fremont.

A game will probably be scheduled with Creighton High some time in the near future. They have been anxious to schedule a game with the Purple and White aggregation, and one will be worked in if possible. It will have to be played in the middle of some week, for all of Central's week-end dates are filled.

## Inter-City Wrestling Bout Scheduled March 8

## Judge Landis Voted \$10,000 to Carry Out Work

Commissioner Given Financial Means—Minors Have Until Feb. 15 to Decide Draft Question.

Chicago Tribune—Omaha Bee Leased Wire. Chicago, Jan. 17.—Judge Landis, who last week took his place as commissioner of organized base ball, not only was voted absolute power to govern the operation of the national game, but was furnished with the necessary financial means to carry on his work. President Heydler of the National league, who is a member of the advisory board, announced Saturday that a contingent fund of \$10,000 had been provided for the commissioner to draw upon in order to carry on any investigation he may deem advisable.

In the working agreement now being formed, it was written that the minor leagues shall have a chance to draft or declare themselves either in favor of or against the draft, the privilege of coming in or staying out, having been granted in the new agreement. It also was decided that in case drafted players are turned back, the minor leagues will have the chance to claim them, while those who have chosen to operate without the draft, will have no such opportunity.

That means that in the future, if a major club should draft a player from a small minor league, then the minor league would have a chance to grab any drafted player turned back by the majors, but the other two would not.
