**Pi Beta Phi and Phi Kappa Psi** link well and often. Another wedding, which again join in sorority and fraternity, is that of Miss Faye Simon, daughter of Dr. and Mrs. Frank Simon, and Spray Gardner of Denver, son of Mr. and Mrs. W. L. Gardner of Valentine. The marriage will take place on Wednesday evening, February 26.

An interesting fact concerning these coming nuptials is that the matron of honor and best man will be Mr. and Mrs. Gardner of Lincoln. Mrs. Scott is a sorority sister of the bride-to-be, and Mr. Scott is a fraternity brother of Mr. Gardner. All four attended the University of Nebraska. Mrs. Scott was formerly Elizabeth Crawford of this city and Miss Simon was bridesmaid at her marriage.

### Mary Crendon Is Engaged to Wed R. C. Giller

A marriage of more than usual interest, which will take place Saturday, is that of Miss Mary Crendon, daughter of Mr. and Mrs. D. J. Crendon, and Richard C. Giller.

The ceremony will be performed Saturday afternoon in the parlors of the Creighton university by Rev. F. G. Dineen. Miss Marguerite Walker and Harry Peters will be the attendants.

Only a few intimate friends of the couple have been invited to be present at the nuptials.

Miss Crendon attended Duchesne college and convent of the Sacred Heart, and later was a student at the National Kindergarten school in Chicago. She is interested in athletics and recently organized base ball teams in some of the public schools.

Miss Crendon will wear a smart tailor of dark blue with small hat to match and a corsage bouquet of sweet peas.

Miss Walker will wear a gown of dark blue tricot with hat in a harmonizing shade. Her corsage will also be of sweet peas.

Mr. Giller was graduated from Central High school and attended the University of Nebraska for a short time. He is the son of Mr. and Mrs. W. M. Giller, a grandson of Mrs. Mary Conant, and a nephew of Harley and Homer Conant.

### Social Affairs for President of Grinnell

The visit of President John Hansen Thomas Main of Grinnell college, Iowa, who addressed the Fine Arts society Thursday afternoon at the Fontenelle hotel, has been the occasion for several social functions in Omaha.

The board of directors of the society gave a luncheon for President Main Thursday noon at the Fontenelle. Invited guests included Superintendent J. H. Beveridge, Messrs. Edgar Scott, Francis Brogan and L. M. Swindler.

Friday noon President Main was honor guest at a luncheon given by the Rotary club of Council Bluffs, where he spoke to the members.

Mrs. G. C. Edgerly gave a beautifully appointed dinner party and reception for this distinguished visitor Thursday evening at her home. Guests at dinner with Mr. and Mrs. Edgerly were President Main, Dr. and Mrs. Frank Smith, Mr. and Mrs. W. A. Willard, Dr. Smith holds an honorary degree from Grinnell and both Mr. and Mrs. Willard were graduated from the college.

Mrs. Edgerly was a Greek student under Prof. Main for three years.

During the evening 30 callers, including many Grinnell alumni, attended and heard Dr. Main in an interesting talk on "The Vital Thing in a College Education."

Mrs. Edgerly was assisted by Mrs. Ralph West and Mrs. Willard.

Dr. Main is now on his way to California. He expects to be in Omaha again in early April, when he will address the Hi-Y club of Central High school.

**Wedding Date.**  
The marriage of Miss Edna Louise Samuelson, daughter of Mrs. Louise Samuelson, and Ralph Ellsworth, son of Mr. and Mrs. J. L. Ellsworth of Council Bluffs, will take place Tuesday evening, February 22, at the home of the bride-to-be.

### What's What

By HELEN DECIE

W. S. Gilbert, the famous librettist of the Gilbert and Sullivan operas, wrote a clever skit on the Bashful Man. The opening lines of the skit ran thus:

Of all the afflictions occurred  
With which a man's saddled  
And hampered and added,  
A diffident nature's the worst!

While we don't agree with Gilbert's humorous verdict that diffidence is the worst affliction, certainly a bashful man can suffer torments from his shyness. A tactful woman can put him at his ease by talking to him only upon subjects with which she knows that he is thoroughly familiar. She must not let him see that she is trying to make him express himself at his best; there is nothing the diffident man dreads more than the "drawing-out" process when engineered by a too clever woman.

### Problems That Perplex

Answered by BEATRICE FAIRFAX

**Sixteen-Year-Old Girl.**  
Lonesome: A girl 16 can often make spare money assisting neighbors in the care of their children. There are often married people who like to go out for the evening but do not like to leave children alone in the house. You could take your books along and get the next day's lessons. You might get part time work in a store or office though such positions are not numerous in a small town. I am always glad to know of an ambitious girl, but remember that your schooling, and the proper amount of food and rest, are the most important things for you right now. Don't overdo yourself for the sake of a little money unless it is absolutely necessary. Get your lessons and build up a fine, strong body, for the many years to come.

**Lacrosse:** More and more our American artists are being recognized. There was a time when one had to study abroad, but that day has passed. I would advise you to go to some city where there are good musical opportunities and work for your room and board, allowing yourself plenty of time for practice. I do not know how long it would take you to become a professional. That would depend upon your ability and the time devoted to your work.

**A Reader:** Two men applied for a high position, the presidency of a famous college. The men seemed equal in every respect. A few hours before the decision between them was made, they were seated on a

**Federated Club Notes.**  
The Columbus Woman's Civic club has joined the State Federation of Women's Clubs and will have a program of instruction along citizenship and legislative lines.

Mrs. C. D. French is president of the club and Mrs. Gertrude Geis, secretary.

The Woman's Civic club of Fullerton, with 77 members, has endorsed the Shepherd-Turner bill and asked for the support of state and national legislators.

**For Mrs. Sheldon.**  
Mrs. A. E. Sheldon of Lincoln, director for Nebraska in the general Federation of Women's Clubs, will be honor guest at a luncheon Monday at the home of Mrs. Philip Potter.

Mrs. Sheldon, who speaks before the Omaha Woman's club Monday, arrives here Monday morning.

### New Chautauqua Circles Formed

A new chautauqua circle to be known as the Leavenworth Heights circle, was organized Thursday afternoon at the home of Mrs. E. R. Redding. Officers will be elected at the next meeting, Thursday afternoon, 2 o'clock, at the home of Mrs. C. A. Willard, 4416 Mayberry avenue, home of Mrs. L. J. Greer. This circle will take a special course in American literature, and will be known as the American Literature circle. Officers will be elected at the next meeting, Tuesday afternoon, 2 o'clock, at the home of the leader, Mrs. L. J. Greer, 5002 Burt street. The circle has a membership of 12.

Mrs. Redding has been chosen leader of the circle, which will meet Thursday afternoon of each week. A social hour will follow the lesson.

A new Dundee circle, the third to be organized in that neighborhood, was formed Tuesday afternoon at

better judges of young men than she.

**Connie:** I do not know enough about your friend to judge what may be the matter with her. It she does not write English I should think it might be her foreign manners and perhaps speech, which make her slow in gaining friends. Tell her to learn to speak and read English, and go places where she will meet friendly people. I suggest that she attend the Get-Acquainted meetings at the Unitarian church here in Omaha Sunday evenings.

Constance Talmadge is 26 years old and Norma is 23. Constance is married now you know.

**Anxious:** You are asking me if you should marry this man, yet you say he has not yet proposed. I suspect that you would not wait for my advice if he asked you to marry him. Would you? I hope not, for I believe from your letter he is a fine young man, and I certainly would not let the matter of age destroy my happiness. You are both young and would be very foolish to separate and go through life unhap-

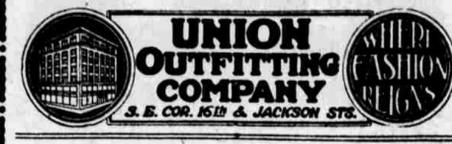

py, just because he has more years charged up to his account than you. All this, provided, you really love him.

**N. L.:** I know of nothing that will take ink out of red serge that will not also take the color out. Your safest course would be to send the material to a reliable cleaner at his risk, telling him not to do the work at all unless he can succeed. Write to McClurg Book Co., Chicago, Ill., for the information you seek regarding the book.

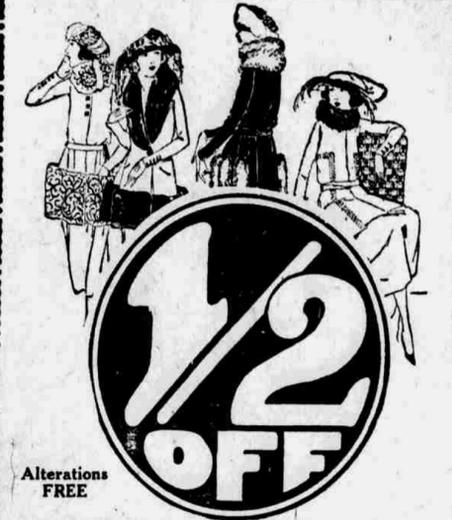

**Allice:** Come in and see me about the story and the picture.

**Blue Eyed Pals:** Are you sure father has no reasons for objecting to your going with young men? Maybe he knows what he is about. I suspect from your letter that his judgment is better than yours. Better listen to dad.

There is nothing wrong in going to movies if they are fit pictures, and if you are not robbing yourself of needed sleep and fresh air. You can make going to church wrong if you will.
