## Trounce "Prep" School Quintet By 20-12 Score

Corenmann Star of Game; Smith Plays Well for Losers; First Half Ends, 7-6, in Purple Cagers' Favor.

By RALPH WAGNER. Central High school handed the Creighton High school basket ball players their second defeat of the season Tuesday night at the Creighton gymnasium by the score of 20 to 12.

At the half-way mark the score stood 7 to 6 with Coach Harold Mulligan's hoopsters holding the long end. The second half was different. Outplaying their opponents in teamwork, passing and basket shooting, the Purple and White shooters caged 13 tallies while Creighton annexed six markers.

The inability of Smith of Creighton to shoot baskets from the foul line held the "prep" school tossers score down. The losers' right forward failed to cage a basket out of seven trips to the mark.

Creighton started in the lead with Shanahan shooting the leather in the basket from mid-floor. Beerkle repeated for Central and the battle was on. Smith put his team in the lead and Clements registered on a gratis toss. Bunnell put his squad ahead and caused several hundred fans to lose control of their vocal chords when he scored a basket after slugging out of a scrimmage.

Smith then got busy and with the aid of four of his teammates shot a field goal and Central was on the short end of the count. Clements missed two chances to score when fouls were called on his opponents. Just before the half ended Beerkle flipped the big ball through the hoop and the period ended 7 to 6 in favor of Central.

Soon after the second half started Corenmann broke into the spotlight when he caged three field goals. He counted his fourth field tally after displaying a bit of clever floor work. This Central guard attempted a shot from the center of the floor. The ball missed the hoop and quick as a flash he followed up his shot, scoring two more markers for his bunch.

Smith counted three field goals for Creighton, two of these being of the spectacular variety. He missed four foul goals in this section of the game.

Corenmann of Central was the outstanding star of the game. He was in the contest from the minute it started until the end. Without his passing, basket shooting, guarding and floor work, Central would probably be on the losers' end. During the first half he guarded well and in the second half he shot baskets from all angles of the floor.

Beerkle, Good and Clements also played a good game. Smith was easily the star of Creighton's part in the game. Like Corenmann, he was fast on his feet, passed well and had a good eye for the basket from a scrimmage. Shanahan at center and Eaton at guard shared honors with Smith.

The score: CREGHTON, 12; CENTRAL, 20. Paul (c) L. Shanahan, E. Eaton, L. Daley, T. G. Wiggins, L. Totals 12. CENTRAL, 20. Clements (c) E. Bunnell, L. Beerkle, C. Corenmann, L. Keyt, L. Totals 20. Referee—Fitzgerald, (Notre Dame).

Another Blue Amendment. The 10 gentlemen reformers of a model fapper's dress have forgotten an important detail. They each ought to buy one of their creations and wear it. The new frock is built on the swell, daring lines of a wet burlap bag. The neck is designed to keep the ears warm and the hem of the skirt falls six inches below the heels. The waist is embellished with bright embroidery of rusty buttons and is set off smartly by a necklace of Smith Brothers' cough drops.

A touch of daring is lent to the frock by a brilliant black crepe draped in a Please-Omit-Flowers style. The lines are as beautiful as an East River tugboat. A wagon-load of empty barrels will look like a limousine loaded with Fifth avenue models. Now, the ladies can get even by designing men's clothes. What is soap for the goose is consomme for the gander. At present there are two sexes in America, and the feminine would be the vainest if it weren't for the male. Make the boys wear potato sacks and Congress gaiters for a while and hear them publish a squawk that will roll through the valleys and reverberate on the mountain sides.

The trouble with reformers is that they think the whole army is out of step because they themselves started out on the wrong foot. And the first thing they pick on is a beautiful, frail woman who has but one vote and who screams pitifully for help as she knocks her husband cold with the leg of a chair. Don't pick on the unreasonable sex. Take away the nourishing wood alcohol from the men, if you can, deprive the boys of their nicotine tonic, but don't harm that blond hair on the old gray head. Woman is a beautiful, delicate flower in the garden of life, and any miscreant who steps on it will sprain his ankle.

## PROMINENT NEW YORK MAN PRAISES TANLAC

John F. Hyatt, of Albany, N. Y., Is Relieved of Severe Attack of Rheumatism of Many Years' Standing.

JOHN F. HYATT, 227 Pearl Street, Albany, N. Y.

"I am now 72 years old and am just getting rid of 15-year case of rheumatism that had me so crippled up I could not walk," said John F. Hyatt, 227 Pearl street, Albany, N. Y., in relating his remarkable experience with Tanlac, recently. Mr. Hyatt was chairman of the committee in charge of building the Albany county court house and was four times elected a member of the county board of supervisors. At present Mr. Hyatt is assistant superintendent of the Albany county court house, with offices in the building. "I don't believe," he continued, "anybody could have rheumatism any worse than I did, and my case was of such long standing I didn't expect to ever get over it. I was unable to walk except for a short distance, supported with a cane, and even then the pains struck me every time I took a step. My legs, hips and ankles hurt something awful and my joints were stiff and aching. I couldn't cross my leg without having to lift it up with my hands, and to turn over in bed, why, the pains nearly killed me. "My appetite was gone and the sight of food nauseated me. My stomach was out of order, and I had a sluggish, heavy feeling all the time. I was weak, off in weight and discouraged so that it looked like I might as well quit trying to ever get well. "I had no idea Tanlac would relieve my rheumatism when I began taking it last spring. I took it because I saw where it would give a fellow an appetite. Well, sir, I was the most surprised I ever was in my life when the rheumatic pains began to ease up. I took seven bottles in all, and it's a fact, I didn't have an ache about me; was eating fine and
