

Council Bluffs Society

Wedding.

St. Francis Xavier's church was the scene of one of the loveliest of the winter weddings last Tuesday morning, when Miss Lucile McAtee, only daughter of Mr. and Mrs. S. T. McAtee, was united in marriage to Mr. Eugene Reynolds of Detroit, Mich. Rev. Father McManus officiating.

The bride, who entered with her father, was preceded by Miss Cecilia Callaghan of Los Angeles, Cal., and at the chancel they were met by the groom and his attendant, Dr. John S. McAtee.

Miss Rodna Hughes presided at the organ and during the ceremony Mrs. Donald Annis sang.

Ned Mulqueen and Harold Hughes served as ushers.

Mrs. Reynolds was beautiful in a modish costume of rust shade crepe combined with gold cloth and princess lace. She wore a picture hat of rust color and on her arm carried a most attractive gilt basket filled with Ophelia roses, sweet peas and lilies of the valley.

Miss Callaghan's gown was a very smart creation of shaded blue and gold taffeta, made with a full skirt and old-fashioned basque. She also wore a large brown hat, and carried a colonial bouquet.

Following the wedding, a breakfast of 24 covers was served at the McAtee home, where a color scheme of lavender and pink was used in the decorations.

The bride and groom are now traveling in the south and will later go by boat to New York. They will reside in Kansas City, Mo.

Mrs. Shugart Returns.

Mrs. Elmer Shugart has returned after an absence of several weeks from the city. She and Mr. Shugart went east for the holidays and after a short stay in New York he returned to Council Bluffs. Mrs. Shugart remained with friends and enroute home visited for some time in Chicago.

Official Call to Women Voters' Convention

Hastings, Neb., Feb. 12.—Officers of the Nebraska League of Women Voters have received the official call to the second annual convention of the National League of Women Voters to meet at Cleveland, Statler hotel, April 11 to 16, inclusive.

Nebraska had the distinction of having one of the largest delegations at the first convention of the National League of Women Voters held in Chicago one year ago in connection with the last convention of the National Suffrage association. It claimed the further distinction of counting among its delegates the oldest pioneer suffragist at the convention, Miss Ellen Harn of Kearsaw, in her 91st year.

Representation at the second convention of the National League of Women Voters is based on representation in the United States congress, and the slogan adopted is "a delegate from every congressional district in the United States."

Mrs. C. H. Dietrich, chairman of the state league, has been informed by Mrs. Madd Wood Park, the national chairman, that the national

board of directors has voted to recommend seating in the convention the alternates as well as the legislative committees, which would entitle Nebraska to 24 places in the convention. The state officers believe that Nebraska will send a full delegation, with the six congressional districts of the state represented.

Woman's Party

The national woman's party meets in Washington, D. C. this coming week. One of the purposes of this meeting is to determine whether or not the woman's party shall form a national league for woman voters, or just naturally fade out of the picture since its chief aim, equal suffrage, has been realized. Its decision is one of great moment to the women of Nebraska, for should the woman's party determine to continue to live under an organization such as a voters' league, then two such bodies would be in the national field, that one already known as the national league for women voters, which has been organized by the Carrie Chapman Catt group of the former woman's suffrage body, and the new one under the national woman's party.

Argentine women are fast getting the reputation of being the leaders of the world's fashions.

A Diamond Ring TO SEAL LOVE'S CONTRACT

**Not The Morning Bee—
Not The Evening Bee—
—BUT BOTH**

Do you remember when you used to read the same news in The Evening Bee that you had read at the breakfast table in The Morning Bee? Or maybe it was the other way around, and you read in The Morning Bee what you had read the day before in The Evening Bee!

You won't find that in The Bee—Morning and Evening—today.

The Bee is Not a "Warmed Over" Newspaper Nowadays

- The Bee doesn't have that "warmed over" taste.
- The news you find in The Evening Bee is distinct and different from that you read in The Morning Bee—and vice versa.

The Policies Are Different

- The Morning Bee specializes in state and national news, in market and financial reports, comment and gossip—carried by Associated Press, Chicago Tribune-Omaha Bee leased wires and special telegraph and cable from every part of the world.
- The Evening Bee specializes in local news and in entertaining features.
- The best features and the most important news are in both.
- But the emphasis is different.
- Not only the most important local news is in The Evening Bee, but the humor, the women's affairs, the human interest of daily happenings in and about Omaha are there.
- The Morning Bee carries important local news—but places emphasis on the big news from everywhere—politics, trade, conventions, agriculture and the like.

The Two Are Not the Same

- The difference is so marked that there is enjoyment in reading both.
- Many Omaha men and women read The Bee only—both Morning and Evening—and like it.
- Why not you?

MANY CASES OF RHEUMATISM NOW

Says We Must Keep Feet Dry, Avoid Exposure and Eat Less Meat

Stay off the damp ground, avoid exposure, keep feet dry, eat less meat, drink lots of water and above all take a spoonful of salts occasionally to keep down uric acid.

Rheumatism is caused by poisonous toxin, called uric acid, which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine. The pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed, thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities. Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism.
