

At New York.
Virginia Pearson at the annual Motion Pictures Ball wore one of the most beautiful of the many gorgeous gowns in which the film actresses appeared.

Above—Giant scaplane of U. S. Navy on longest scaplane flight ever attempted, from San Diego to the Panama Canal Zone and back. Capt. Henry C. Mustin, in charge of the flight, is seen in the cockpit and Wesley Barry, motion picture star, is posing on top of the machine.

Above—Mac Murray and her husband, Bob Leonard, in a little skit with which they helped to entertain at the movie folks' ball.

Wide World. Photos

At left—Latest photograph to arrive in this country of Princess Margaret of Denmark, who accompanied King Christian and Queen Alexandra to England. Rumor hints at her possible marriage to the Prince of Wales.

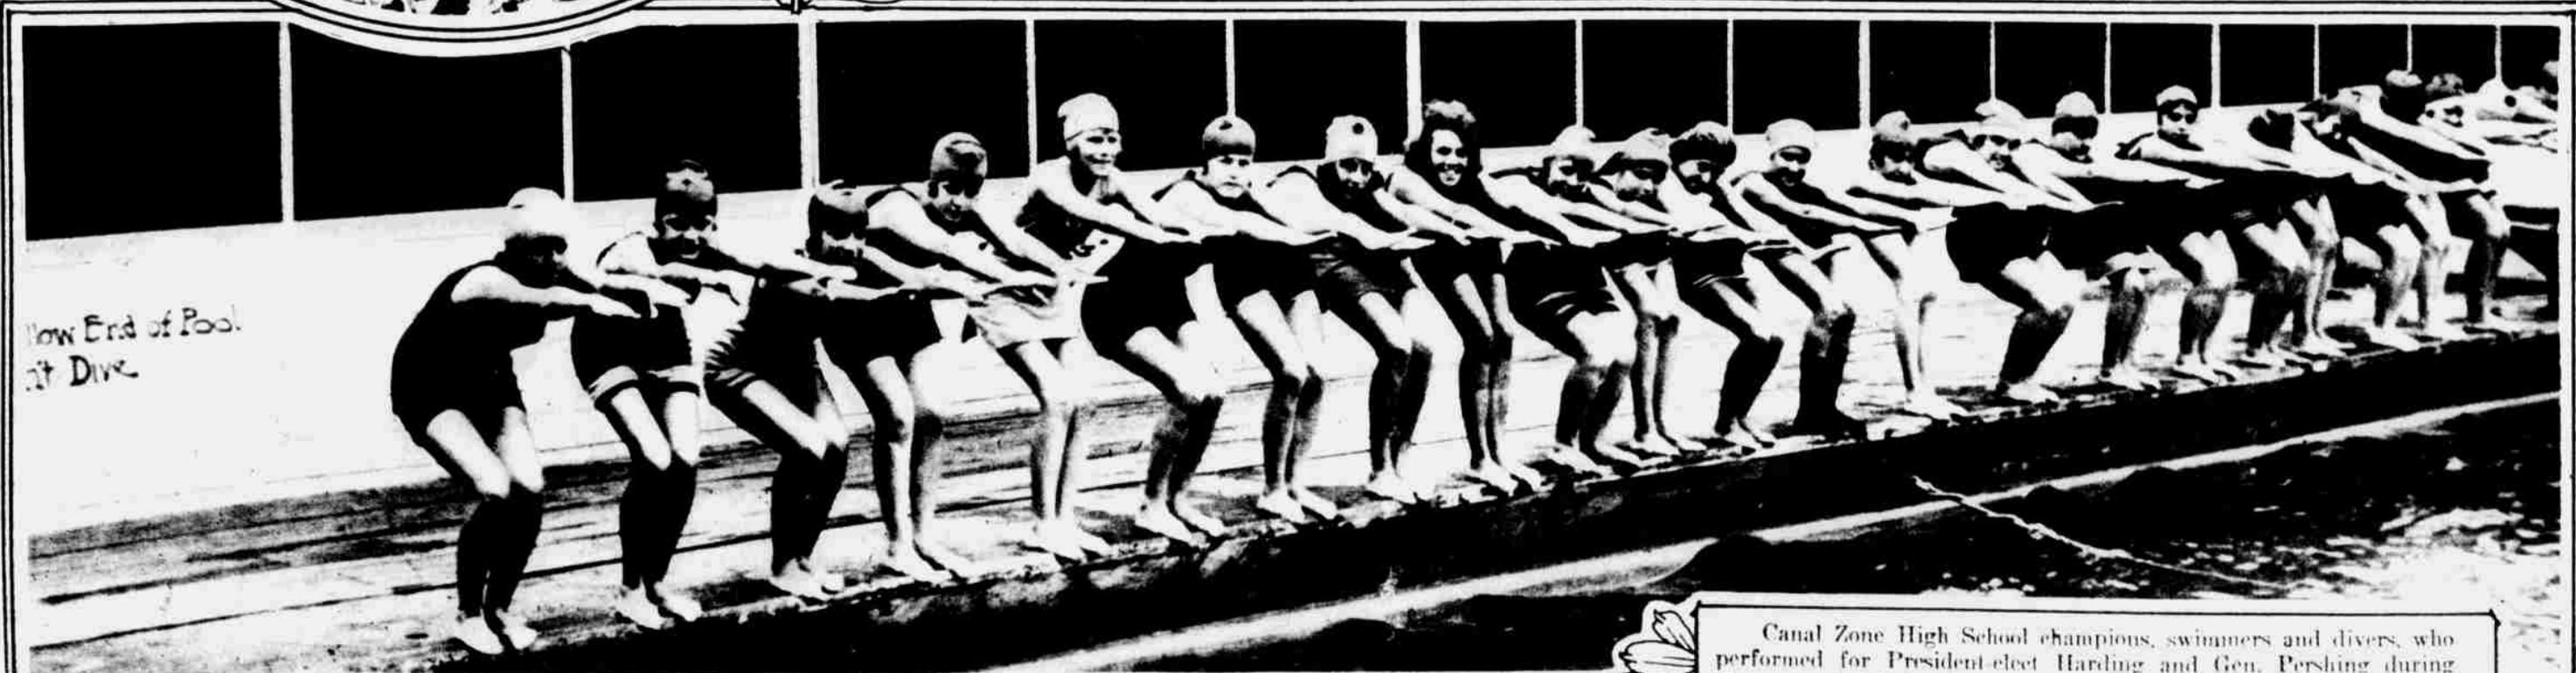

Photos from Wide World.

At left—Miss Elsie Bailey with "Dennison of Cedarbrook," her Colorado State champion, was very prominent at the united show of the Silver Society and Atlantic Cat Club.

Newton A. McCully, U. S. N., and the seven Russian children whom he adopted brought to this country, which they call "The Land of Warm Rooms."

Canal Zone High School champions, swimmers and divers, who performed for President-elect Harding and Gen. Pershing during their recent visit to Panama.
