Marjorie Paulsen Wins First Prize in Valentine Contest and Craig Girl Is Second.

Girls gathered in most of the prizes in The Bee's Valentine Contest, demonstrating superior artistry and better knowledge than boys of the features of little Dan Cupid.

Of the nine prizes seven were won by girls. First prize, \$5, goes to Marjorie Paulsen, 11, of 521 North Twenty-third street, who submitted an excellent drawing of Cupid's features and the bow for his bow and arrow.

May Nelson, 9, of Craig, Neb., wins second prize, \$3. Prizes of \$1 each were awarded to the following girls and boys:

Mott Johnson, 12, of Clay Center, Neb.; Marguerite Ann Johnson, 12, Holdrege, Neb.; Helen Fahrbruch, 11, 2424 South Eleventh street; Carmen Melcher, 12, 2962 Martha street; Roy Mathews, 11, Central City, Neb.; Hildred Hawes, 10, 1510 Lake street, and Ruth Carpenter, 12, 817 Avenue B, Council Bluffs.

The contest, which closed last Thursday, was open to all Omaha and Iowa and Nebraska boys and girls of 12 years or under. A few entries arrived too late to be considered in awarding the prizes.

More than 500 boys and girls responded to the invitation to "give Cupid a face." So many of the drawings and valentine designs were so much better than to be expected from

### Americanization Week to Be Held During March

Time to Do a Little Hurrahing for Our Own Country, Says Chairman of Citizenship Committee.

"It's time to quit hurrahing about countries across the ocean and start a little hurrahing about our own country," Dr. E. C. Henry, chairman of the citizenship committee of the Chamber of Commerce, said yesterday at a meeting of the committee. "There's entirely too much interest manifested by Americans in what is going on in Europe and not enough of what is happening in this country. What we need is a propaganda campaign to get American minds on America. We have little use here for those whose minds are continually on what is doing in Europe."

Dr. Henry presented plans to the citizenship committee yesterday for an Americanization week. Americanization has become one of the main activities of the American Legion. In accordance with its aims, the legion heads have designated the first week in March as "Americanization week."

During that week patriotic programs will be held in every school in Nebraska. Civic, commercial and industrial clubs as well as social organizations will be asked to have patriotic programs during the week. Both the Omaha Chamber of Commerce and the State Chamber of Commerce have pledged themselves to make Americanization week a success in commercial and industrial

circles. Other organizations also have pledged their support. Sunday, February 27, the day before the opening of Americanization week, Dr. Henry will ask all pastors of the city to deliver sermons on the life of some great American. Each pastor will be asked to pick the character in American history whom he thinks represents his ideas of true Americanism.

### Flock Bars Pastor From Irish Meeting

Although the Rev. K. L. Wheeler of the Wheeler Memorial church had been asked to preside at the meeting Sunday when Miss Mary MacSwiney spoke on "The Irish Republic" in the Auditorium, he didn't serve, because the elders of his church asked him not to preside.

A resolution adopted by the elders in the church at 11 a. m. of the day of the meeting requested Dr. Wheeler not to attend the meeting. "I know to the well of my congregation, as expressed by duly constituted authority," said Dr. Wheeler.

### Twelve Arrested in Raid

A raid by four deputy sheriffs on a road house two miles north of Florence at 1:15 Sunday morning netted six men and six women. The deputies found one pint of brown moonshine and two pints of white moonshine behind the bar. Ed Hart, proprietor of the road house, charged with illegal sale of liquor, was released on \$125 cash bail by Sheriff Mike Clark.
