Unity Players in Performance Saturday

The third public performance of "Unity Players" will be given Saturday evening, February 18, at 8 o'clock in the common room of the First Unitarian church, Harney street and Turner boulevard. Two one-act plays will be offered: "The Wedding Cake," written by Charles Levinge, father of Mark M. Levinge of this city, director of the Unity Players, will be presented for the first time on any stage.

The cast for "The Wedding Cake" will include Miss Bonnie Dean and Charles Levinge.

"Where But in America?" by Oscar Wolff, will be presented by Miss Geraldine Olson and M. M. Levinge. Mrs. Harold A. Doherty will direct both plays.

The West Sisters' string quartet will play before and after the performance and also for dancing later in the evening. Mrs. Frank Hoagland and Mrs. Alan McDonald will be in charge of refreshments.

"Unity Players" appeared before the public for the first time last October and since then have been steadily making their position in the amateur theatrical circles of Omaha more secure. So far they have presented "Nevertheless," by Stuart Walker, "Her Neighbor's Creed," by Margaret Cameron, and "Let's Don't," by E. W. Ewing and M. M. Levinge of Omaha. This latter play has been repeated a number of times in other cities since the initial performance in this city.

The directors of "Unity Players" are Mrs. Robert F. Leavenworth, M. M. Levinge and Alan McDonald, Orville Crank, Mrs. Harold Doherty and Miss Marguerite Beckman, all of the Craik Players. They have been especially interested in and of assistance to the "Unity Players."

Garnishes

When serving sandwiches at a card party, where refreshments are brought to the tables where the game has been played, it is a pretty fancy to place a garnish of some sort on the plate beside the sandwich. A single leaf of lettuce holding a whirl of mayonnaise is an appetizing as well as attractive garnish, and so is a small stalk of deeply grooved celery filled with highly seasoned cream cheese. A fan-shaped decoration of a pickle, made by thinly slicing a firm pickle almost to the stem and then spreading out the slice, fan fashion, is inexpensive and easy to make.
