which I had wished in asking me so

o have Jim bring it over. But it is in good condition, for I looked it over this morning.

This last statement was the truth, or I had carefully inspected the ma

"What's the use of bringing i ver?" Lillian asked nonchalantly. The only thing I'm good for is running a machine anyway while Madge is the white-haired fairy when it comes to hemming. Why can't we divide the work and Madge and I take part of it over there? We'll run a regular messenger service, and bring each piece back as soon as we get it finished. And-we probably won't talk half so much as we will if all four of us are working to-

"And I won't have to clean my naive apology—"but he's such an ox of a thing he just can't help being cluttery. I think it's a splendid idea. Which part of the work will you take?"

"I would suggest the things which

promptly. "If I can decide which those are." little Mrs. Durkee murmured doubt-

fully, and I knew that she was actually nonplussed by Lillian's prompt

"At any rate, give us things which I can run up on the machine and then turn hems and baste, anyway."

the pretty fabrics spread out upon the bed and over chairs. The worry and confusion entailed by her change of plans for Leila's room evidently

Edith Fairfax came to the rescue quietly and capably. She indicated a pile of stuffs on the bed which had been fitted on the windows. "I guess that will be all right,"

Mrs. Durkee acquiesced, and in another minute or two we were on our vay across the lawn. "Lucky that machine is in your room." Lillian commented, as we caused him to kill as he went about

> She did not speak again until I had inlocked my room door and fastened it after our entrance. Laying the stuffs on the bed she went directly to the machine, and, with a swift, capable, preliminary inspection be-gan to wind a bobbin from a spool of rose-colored silk.

Work Laid Out.

on the bed and tell me what to do first," she said, "I can get some of this out of the way. And now as to them? I can't pack them the way you did, but at least I can get them out of the way so you can lock the
